Dear Award Modernisation Team,

AM2014/250 – Aboriginal Community Controlled Health Services Award 2010

We refer to the correspondence from the Commission to parties dated 8 September 2017 and in particular, the Report to the Full Bench 4 September 2017.

We wish to clarify that Item S5A is agreed as per NATISHA's proposal only to the extent that it is similar to Item S2B in that it deals with definitions only (please see Draft Report 21 June 2017). Other proposed substantive changes to the classification structure are opposed by AFEI in accordance with our written submissions dated 24 April 2017 and the summary document provided by NATISHWA to the Commission on 19 July 2017.

Kind regards,

Jessica McDonald | Workplace Relations Adviser
