Subject: Report Concerning Four Yearly Award Review: AM2014/252 - Air Pilots Award

Dear Associate

We refer to the previous email report on this matter from Jon Lovell and Kathy Srdanovic of Ashurst on Tuesday 5th September 2017.

You will note the intention of the parties to provide a further update on the progress of discussions concerning Item S2 of the Revised Summary of Proposed Substantive Variations (Classifications and Minimum Salaries – Regional Airlines) by today.

We can confirm that Ashurst, on behalf of Qantas, has submitted to the AFAP and the Ai Group proposed drafting regarding Item S2. This drafting is now being considered.

Should it be acceptable to the Commission, we request that the Commission allow the parties additional time to discuss the proposed drafting, and Item S2 generally. We propose providing a further update on the progress of these discussions by Friday 6th October 2017.

The other parties to this matter are copied into this email.

Thank you for your consideration.

Yours sincerely

Simon Miller
