Subject: RE: AM2014/286 - Site Inspections

Good afternoon

Further to email below, please be advised that the following ADEs have confirmed their availability for a site inspection.

Name	Address
Greenacres Disability Services	2/4 Ralph Black Drive, North Wollongong, NSW 2500
The Flagstaff Group	254 Nolan Street, Unanderra NSW 2526
Disability Services Australia	2/42 Church Ave Mascot NSW 2020

We propose that these inspections occur at the start of the days allocated for a hearing of the matter. The first two sites could be visited comfortably on the same day as they are both in the Illawarra region.

In our respectful submission it would assist the Commission to have Full Bench observing supported employees and ADEs in action. We propose that each visit be chaperoned by a ADE representative who can also provide a "run sheet" as appropriate, and to provide a description of the work done, the working environment and response to any questions from the Full Bench. We would also propose that a court report attend to put these viewings on transcript.

On Friday we will also discuss arrangements to ensure that attendees entering into the premises are organised into small group so as not to unduly disturb those on site.

Kind regards
