Dear Associate and parties,

Subsequent to my earlier email, we have been able to secure some additional availability for our witnesses, such that we now present a revised timetable with fewer unallocated spaces and a shorter overall timeframe. Please find this attached.

Regards,

Sunil Kemppi

Subject: RE: AM2014/286 - Statement of Agreed Facts & Witness Statement

Dear Associate,

Please find attached a timetable of witnesses for these proceedings, which has been drafted by agreement between ACTU, AED, UWU and the parties represented by ABLA.

I note the following in relation to the timetable:

- The 4 Active Action team members are not included as being required for cross-examination. This is prefaced on the AED, ACTU and UWU's understanding (based on the recent directions hearing and the email of 2 August (at 1109)) that the materials tendered by them are to be taken as submissions, rather than evidence.
- Ms Mary Walsh is not included as being required for cross examination. This is for the same reasons as the above (in relation to Ms Walsh). To the extent that this understanding is incorrect, we would seek to cross examine Ms Walsh.
- We have encountered unfortunate gaps on Tuesday afternoon and Wednesday morning. This is due to witness availability.

Regards,

Sunil Kemppi
