Dear Associate,

We act on behalf of Australian Business Industrial and the News South Wales Business Chamber Ltd.

Our clients have an interest in the Construction Awards, which include:

- Building and Construction On-site Award 2010;
- Joinery and Building Trades Award 2010;
- Mobile Crane and Hiring Award 2010; and
- Plumbing and Sprinklers Award 2010.

On 26 October 2016, the Commission made directions requiring interested parties to file evidence and/or make submissions in reply by **5pm on 10 March 2016**. Unfortunately, our clients are not in a position to file in accordance with this timeline. Accordingly, we respectfully request that our clients be granted a one week extension to file submissions in reply.

We note that there has been a significant amount of material filed in this matter. We advise that our clients do not propose to file any evidence in reply. However, our clients would like the opportunity to file short written submissions in reply which will be confined to a discreet number of variations proposed by the parties. In this regard, we do not anticipate that any of the parties would be prejudiced by our clients filing short reply submissions within the extended deadline requested.

Thank you for your consideration of this request.

If you have any queries in relation to the above, please contact us.

Kind regards,

**Louise Hogg**
