Subject: AM2016/22

Dear Vice President Hatcher,

I would like to request an extension of time to submit a detailed submission on why I would like to have the 'Building and General On-site Award' amended. I did not receive any correspondence in December last year about this matter and the deadline that was imposed. I am not a company (any more) I am just a worker in the field and would like request the award to be amended because I am part of this industry and relate to everything that I am submitting. If you could grant me this extension and provide me with a date I will write back to you or your colleagues a more detailed submission than I wrote on the 'application form' in August last year.

Kind regards

Tom Walsh.
