Subject: RE: AM2016/23 - 4 yearly review of modern awards - construction awards

Dear Associate to Deputy President Gostencnik

The AMWU supports the proposed directions in the CFMEU's correspondence.

The AMWU also does not oppose the MBA lodging their document for the same reasons as the CFMEU. However, it is not a document that can purport to represent the views of the parties. We note that we had not received any document from the MBA for consideration prior to their lodging it with the Commission.

In particular, the AMWU does not agree that the Air-conditioning industry and refrigeration industry allowance is exclusively a disability allowance. The AMWU has already lodged [submissions](#) about the Airconditioning industry and refrigeration industry allowance on 7 February 2018.

Regards

Michael.
