Subject: RE: Alpine Resorts Award (AM2016/30)

Dear all

I wish to clarify for the sake of completeness that ABI/NSWBC/TCC have indicated that they do not oppose evidence being put on regarding matters viewed during the inspections. That is the extent to which our clients have consented to further evidence being put on.

We oppose any further evidence being filed to the extent that it traverses beyond what was seen/viewed during the site inspections.

Yours faithfully

Luis Izzo

Subject: Alpine Resorts Award (AM2016/30)

Dear Associate,

Alpine Resorts Award (AM2016/30)

In the lead up to the site inspections in the above matter, the parties discussed putting on written statements of what had occurred during the site inspections. Michael Harmer then raised this with the Full Bench during the site inspections, and no objections were raised by the Full Bench or otherwise. Accordingly, the parties have agreed to the following timetable for the filing of this evidence with the Commission:

1. Any evidence relating to the site-inspections to be filed on or before **2 October 2017**; and
2. Any evidence in reply to be filed on or before **16 October 2017**.

The parties are entirely in the hands of the Commission and its discretion, but if the Commission is comfortable we are happy to proceed on the above basis.

Yours faithfully,

Christopher Nowland
