Subject: RE: Health Professionals and Support Services Award 2010 - Matter Number: AM2016/31 - Notice of Listing [SEC=UNCLASSIFIED]

Dear Sir/Madam,

I respectfully write to bring to your attention what may be an inadvertent oversight or ambiguity in the wording of items (d) and (e) of the Directions issued yesterday, 17 December 2017.

It appears that the words "*and evidence*" should be deleted from items (d) and (e) of the Directions. Evidence is to be heard at the Hearing for both Awards as per items (a), (b) and (c). Vice President Catanzariti referred to a final right of response to the submissions in response, at Conference on 13 October 2017. If it is intended to add this final step in the Directions for both Awards, it could be scheduled for two weeks after the final date of 13 April 2018, being 4pm Friday 27 April 2018.

Thank you for your assistance in this matter.

Regards,

Katrina Murphy
