Dear Caitlin,

Thank you for your email.

In the 10 October 2016 decision, [2016] FWCB 7254, at paragraph 95 the Full Bench referred to the second substantive issue in the review of Graphics Arts and Publishing Award. This issue is the amendment of Schedule B of the Award, which contains the Competencies in the Award. The AMWU sought to amend the Schedule to update the Competencies.

There had been ongoing discussions between the parties and an extension on the report back was sought by the parties as talks have progressed.

The AMWU seeks that the matter be listed for conference to finalise this issue.

I hope this information assists. Please do not hesitate to contact me should you require any further information.

Kind regards,
