**Subject:** FW: 4 Yearly Review of Modern Awards - Seagoing Award 2010 - Conference Re Electrician/Electro Technical Officer

Dear Associate,

In relation to the Conference for the Seagoing Award to deal with the Electrician/ETO claim AIMPE is not available on Monday 15<sup>th</sup> November, due to proceedings in Perth.

I have corresponded with the other parties, in particular CSL who have filed a Statement and indicated that they would be participating in the Conference. I have emailed the other parties and have only had feedback from MIAL who have indicated that they have no problems with the proposed dates agreed between AIMPE and CSL.

The proposed dates are:

- o 22 Nov from 2pm only
- o 28, 29 or 30 Nov

It would be appreciated if the Commissioner can give some consideration to amending the date of the Conference to one of the above dates that are suitable to the major parties and participants in this conference.

Regards,

**Nathan Niven**
