Good morning Mr Tindley,

I refer you to the Statement issued by the President on 4 December 2018 ([\[2018\] FWCFB 7385](#)) regarding the above matter. Interested parties were asked to review the summary of submissions document and confirm which matters are being pursued.

Could you please confirm the ARA's intention regarding item 1B of the [summary document](#)? If we do not hear from you by **4.00 pm on Friday 21 December 2018**, we will assume the ARA are not pressing the item.

I note that the Australian Industry Group has withdrawn its 'flexible part-time claim' (see [correspondence](#) dated 14 December 2018).
