Dear Justice Ross and Associates,

Further to what was discussed at the Mention 30 April 2019, I would like to inform you that Elizabeth Arrabalde will appear as a witness and tender the submissions put forward as evidence.

We have spoken with United Voice who have kindly agreed to help us negotiate some of the legalities of the upcoming hearing.

If you would like any further information or elaboration, please let me know.

Kind regards,

Isabelle Arrabalde
