**Subject:** FW: Air Pilots Award Review process input

Dear Colin

Further to our phone conversation a moment ago, please find following our specific enquiry in relation to the Review of the Air Pilots Award 2010.

We have recently become aware of the 4 Yearly Review being undertaken of the *Air Pilots Award 2010*. We understand this review is significantly progressed, with a listing this Friday 30<sup>th</sup> November 2018 before Vice President Catanzariti to consider matters AM2018/14 and AM2018/15.

HeliSpirit and Aviair are Regional Airline and Helicopter companies operating in the North West of Australia, with substantial employment of pilots across both businesses. Accordingly any changes to the Air Pilots Award 2010 as part of this review has the potential to have a significant impact to both our own operations, but also those of all Regional Airline providers and other aviation operations across Australia.

Can you please confirm how Aviair and HeliSpirit are able to contribute to the Award review process currently being undertaken, either directly or otherwise, to ensure Regional Airlines and other remote and rural aviation services have an input to the final review outcome.

Kind regards

Mandy
