Subject: AM2018/26 - Social, Community, Homecare, Disability Services Industry Award 2010

Dear Associate,

AM2018/26: Social, Community, Home Care and Disability Services Industry Award 2010

I refer to the above matter and to the Directions issued by the Commission on 5 December 2019 which required parties to file written submissions by 4.00pm today.

While we have substantially finalised our clients' submission and had anticipated being in a position to file the submission today in accordance with the directions, regrettably it is now apparent that we are not in a position to file today. This is due to a small number of discrete elements of our submission not yet having been finalised, including the draft variation determination requested at question 61 of the Background Document. We will be obtaining final instructions in respect of our final version submission and the draft variation determination over the course of this weekend.

We therefore respectfully seek leave to be permitted to file our submission on Monday 10 February 2020. Given the very short period of the extension sought, we do not anticipate that any party will be prejudiced. To the extent that they are, we will not oppose an equivalent extension being provided to them to file their reply submissions if necessary.

We apologise for any inconvenience this may cause the Commission or the parties.

If you have any questions or require further information, please do not hesitate to contact me.

Yours sincerely

Kyle Scott
