Dear Chambers,

Re: AM2014/256 Amusement, Events and Recreation Award 2010

I refer to the Commission's correspondence of 10 October 2019 in relation to the above award.

We are currently in discussions with parties as to whether parties are content with the matter being heard "on the papers" or if a formal hearing is necessary.

We will attempt to clarify the parties positions as soon as practicable.

Kind regards,

Helen Hamberger
