Dear Katrine

I refer to the Directions hearing held on 16 June 2016. There are four witnesses that Jobs Australia requires for cross examination in matter 4B regarding the *Social, Community, Home Care and Disability Services Industry Award*.

These are:

ASU

Helen Fairweather

Kevin Denny

Leon Wiegard

HSU

Mick Paddick

We note that, according to the list updated as at 15 June 2016, ABI also require these witnesses for cross examination and so these witnesses are not additions to the list for cross examination. It appears that through an oversight we have not previously advised FWC of this in writing. We intend to liaise with ABI to avoid any duplication and anticipate that any extra cross examination that arises will have minimal impact on timetabling. We apologise for the oversight and late advice.

regards
