**Re: AM2024/6 - Variation of Modern Awards to Include a Delegates' Rights Term**

I write on behalf of Live Performance Australia in regard to the variation of modern awards to include a delegates' rights term process.

Having had the benefit of reading the Australian Chamber of Commerce and Industry's submission to the Commission in regard to the abovementioned process, Live Performance Australia would like to lodge its support for that submission via this correspondence.

Yours sincerely,

**Evelyn Richardson**
