Dear Chambers,

I refer to the above matter and the Deputy President's Statement of 29 January 2024.

Please note that the Australian Hotels Association (AHA) intends to participate in the consultation process for the work and care stream of the modern awards review.

The AHA will file submissions in response to the discussion paper by 12 March 2024. At this time, the AHA does not have any additional feedback to provide on the proposed consultation process for this stream and notes the suitability of the consultation dates currently set aside.

Kind regards,

Melissa
