Subject: FW: AM2013/36 Application to terminate the Hospital Specialists and Medical Administrators Award 2002

Dear DP Watson,

I was distracted at the end of the hearing on Friday and forgot to mention the last matter on the docket.

VHIA has been in contact with the Doctor's unions (AMA and ATOF) to discuss their position and we believe that the lack of a response from them and their non-attendance at the hearings clearly indicates that they are not opposed.

As this application has proceeded unchallenged, the VHIA would press that its application to terminate this Award be granted.

Please let me know if you would like a formal submission on this matter or schedule another hearing.

Thank you for your assistance and Happy Easter.

Subject: AM2013/36 - Application by Victorian Hospitals Industrial Association (289V)

Dear Vice President Watson,

I write in response to the 15 April 2015 email from your chambers to Mr Geoff O'Kearney indicating that the Full Bench proposes to terminate the Hospital Specialists and Medical Administrators Award 2002 unless the Commission receives notification of any contrary view by close of business on Monday 20 April 2015.

On behalf of the Australian Salaried Medical Officers Federation I wish to make the following applications:

1. That the Full Bench not proceed to terminate the Hospital Specialists and Medical Administrators Award 2002 until it has heard and considered submissions on the matter from the Australian Salaried Medical Officers Federation.
2. That the VHIA application to terminate the Hospital Specialists and Medical Administrators Award 2002 be referred to a conference of the parties (VHIA and ASMOF) before the Commission.
3. Such further order as the Commission considers desirable.

Yours faithfully,

Rod Felmingham | Senior Industrial Relations Adviser
