**Subject:** In the Matter of AM2019/23 & 2020/2

Dear Deputy Commissioner,

The Applicants respectfully request a Status updated on the progression of matters, 2019/23 & 2020/2.

Understandably there has been additional workloads placed upon the Commission with CoVid19 and the associated amendments which have taken priority.

Several respondents have requested this matter to be delayed.

The longer this continues without a remedy, the greater the injury to Employee's covered under this Award and less Revenue for the ATO.

The subject of this matter has now become part of the Senate Inquiry of the Rural and Regional Affairs and Transport, which was presented by Applicant of AM2019/23.

Regards

Trevor Warner
