Subject: Proposed delegates' rights terms

You don't often get email from mmcloughlin@cpsuVIC.org. [Learn why this is important](#)

Hi FWC,

The CPSU Victoria is currently in dispute at the Commission with an employer who is attempting to restrict delegates from sending emails to all staff regarding their industrial interests.

In the interest of mitigating future disputes on this matter, we propose the clause regarding electronic communications be amended as follows:

electronic means of communication ordinarily used in the workplace by the employer to communicate with eligible workers and by eligible workers to communicate with each other, including access to and use of Wi-Fi and all-staff email distribution lists;

Thank you for taking the time to read our submission.

Regards,

Michael McLoughlin | Industrial Organiser
