Subject: Submissions on draft statement of principles [SEC=Internal]

FWC

I have reviewed the draft *Fair Work (Statement of Principles on Genuine Agreement) 2023*. To support the principles, the FWC should develop template letters for a bargaining representative to use that complies with those principles. This will provide bargaining representatives confidence that it has complied with the principles and help reduce the time needed by the FWC to review communications as part of the approval process.

Yours sincerely
