- (e) strengthen the University's competitive advantage through improvements in productivity, efficiency, effectiveness, quality, flexibility and equity through the contribution of academic staff; and
- (f) foster the development of a positive, safe and productive workplace culture underpinned by co-operative and consultative approaches to work.

8. AGREEMENT TO BE DISPLAYED

A copy of this Agreement will be available on the University web site or on request from the Human Resources Department.

9. JOB SECURITY

- 9.1** The University reaffirms that it highly values its academic staff as a critical element in the provision of quality service. The University is committed, wherever possible, to retaining the services of, and offering ongoing opportunities to current staff members. The University is committed to ensuring that staff have job security and will seek to avoid job losses.
- 9.2** The University will, wherever possible, implement alternative voluntary measures prior to job loss, including redeployment, voluntary flexible working arrangements, and consideration of job swap arrangements.
- 9.3** Where job losses are unavoidable, the University will strenuously explore all measures available to minimise involuntary redundancies, including voluntary early retirement and voluntary redundancies. Involuntary redundancies will be used as a last resort and should be avoided if possible.

10. MANAGING CHANGE

- 10.1** The effective management of workplace change requires the involvement of people who will be directly affected by that change.
- 10.2** Following a decision by the University that changes are required in organisation, structure or technology which may have significant consequences as defined in sub clause 6.17, the University will consult with affected staff and the relevant Union about the proposed changes, the need for the change and the development of a change process. If a formal review process is established to inform the proposed changes, there will also be consultation about that process. Consultation will provide sufficient time for affected staff members and the Union, to have meaningful input into the final decision about the proposed change and the development of a change process.
- 10.3** Where, following the consultation in sub clause 10.2, the University decides to proceed with a significant change proposal, consultation will occur with affected staff and the Union, with the aim of reaching agreement where possible, about the impact of that change on the work or conditions of staff and will include the timetable for change, consideration of alternative ways of introducing change and means of avoiding detrimental outcomes for staff.
- 10.4** Any proposed job losses resulting from change will be handled in accordance with clause 11.

11. CHANGE RESULTING IN JOB LOSSES

- 11.1** Where it is envisaged that change will lead to job losses, the University will consult with the staff likely to be affected and with the Union as soon as practicable. All relevant information and data will be provided to assist in the consultations.
- 11.2** Following the consultation as prescribed in clause 10 and sub clause 11.1 and a decision by the University that staff reductions will occur, there will be consultation with affected staff and the Union, with the aim of reaching agreement on an implementation plan to achieve job reductions without increasing the average workloads of the relevant school or unit and ensuring any job losses are genuine redundancies. The plan will include:
- (a) the reduction to be achieved in terms of either staffing costs or number of staff;
 - (b) the timetable for achieving staff reductions;
 - (c) the preferred measures for achieving staff reductions;
 - (d) measures to avoid forced redundancy including retraining and redeployment, voluntary flexible working arrangements, consideration of job swap arrangements and one or more rounds of voluntary redundancy; and
 - (e) objective criteria to be used to determine if an application for voluntary redundancy is acceptable.

12. CONTRACTING OUT

12.1 Consistent with clause 10 where the University proposes new outsourcing arrangements (including contracting out of work that has been or is currently being undertaken by University staff), the University will initiate consultation with affected staff members and the Union. Such consultation will occur prior to any final decision by the University to take any steps to outsource the work.

12.2 The University will provide all relevant documentation and information on the proposal including why it considers contracting out to be necessary and shall consult in good faith about whether the work should be contracted out and alternatives to contracting-out to minimise any possible impact on existing staff members.

12.3 The University will report to the Academic Consultative Committee (ACC) on the outcome of the consultation process and the rationale for the decision made.

12.4 Post implementation review

A review of any outsourcing arrangement will be conducted by the University prior to the renewal of the outsourcing contract. The review report will be provided to the ACC.

Until the procedures set out in sub clauses 13.2 and 13.3 are exhausted:

- (a) work shall continue in the normal manner (other than with respect to bona fide health and safety issues);
- (b) no industrial action shall be taken by a party to the dispute;
- (c) management shall not change work, staffing or the organisation of work if such is the subject of the dispute; and

13.5 Representation

The parties to the dispute may be represented or assisted by a person of their choice at any stage during this process.

- (c) all parties to a dispute will cooperate to ensure that disputes are resolved as quickly and efficiently as possible;
- (d) the requirements of sub clause 13.4 will not be invoked by any party to a dispute in a way which unreasonably or unnecessarily obstructs the organisation or operational affairs of the University or any part of it, and, where appropriate, parties to a dispute will negotiate in good faith to reach an agreement on how the requirements of sub clause 13.4 are to be applied to meet this objective.

26. REDUCED WORKING YEAR SCHEME

All staff members (excluding sessional staff) are eligible to apply to their Head for agreement to work a Reduced Working Year.

Under the Reduced Working Year scheme, within a twelve (12) month period, a staff member is entitled to up to eight (8) weeks paid leave in addition to the normal four (4) weeks recreation leave, with a commensurate reduction in total salary rate for the twelve (12) months. This additional leave (up to eight (8) weeks) provided to the staff member under the Reduced Working Year scheme will not attract leave loading.

Staff participation in the scheme is optional and at the request of the staff member. Approval by the University to participate in the scheme will depend on balancing operational requirements with increased flexibility options and choice for staff. Confirmation of appointment and all other performance decisions will be based on the proportion of work appropriate to the position.

In the case of academic staff, the teaching load undertaken across the year will be at the appropriate proportion of that of a person in an equivalent area who is working for the full fifty-two (52) weeks.

The entitlement will be applied in accordance with the Manual of Policies and Procedures. The University will consult with the Union prior to any proposed changes to this Policy.

PART D - OTHER CONDITIONS

27. CATEGORIES OF APPOINTMENT

This clause outlines the employment arrangements that the University may enter into with staff.

27.1 Ongoing appointment

An ongoing appointment (either full-time or part-time) is an appointment made for an indefinite period and where the nature of the work is ongoing.

27.2 Fixed-term appointment

27.2.1 A fixed-term appointment is an appointment (either on a full-time or part-time basis) for a specific period of time or for a specific task or project. A fixed-term appointment is only terminable by the University during a probationary period, for unsatisfactory performance, for cause based upon serious misconduct, for redundancy, or on medical grounds.

The staff member will be advised in writing of the term of the appointment, the length and terms of any period of probation and the circumstance(s) by reference to which the use of a fixed-term appointment has been decided.

Where, due to demonstrated unforeseen circumstances, the work required to be performed cannot be completed in the term of the appointment advised to the staff member, the University may extend the period of the appointment once only for a period of up to six months with the staff member's agreement in writing. Such an extension will be treated as part of the fixed-term appointment and not as a renewal of the fixed-term appointment; however, such an extension cannot be used to avoid payment of severance pay.

A fixed-term staff member who has a period of continuous service in a classification which has an incremental structure shall be entitled to progress through that structure as outlined in clause 19.

Prior to the expiration of a fixed-term appointment and where it is determined that the position will continue on a fixed-term basis, the University will offer the staff member a subsequent appointment to that position where the duties of the position remain substantially unchanged and the staff member has demonstrated satisfactory performance.

27.2.2 Conversion to an ongoing appointment

Prior to the expiration of a fixed-term appointment and where the University has determined that the position has ongoing funding and will continue on an ongoing basis, the University will offer a fixed-term staff member an ongoing appointment when all the following conditions are met:

- (a) the staff member is not engaged under categories 3, 6, 7, 9, or 10 as defined in sub clause 27.2.4, unless in exceptional circumstances as determined by the Authorising Officer and the Human Resources Director;
- (b) the staff member has occupied the position for a minimum period of three (3) years, or in exceptional circumstances, a lesser period as determined by the Authorising Officer and the Human Resources Director;

- (c) the position will be vacant following the expiration of the fixed-term appointment, and is not substantively occupied by another staff member;
- (d) the duties of the position remain substantially unchanged;
- (e) the staff member was initially appointed through a merit based selection process; and,
- (f) the staff member has demonstrated satisfactory performance in all areas of academic activity through Performance, Planning and Review cycles.

27.2.3 Fixed-term employment shall not be used to fill ongoing positions or undertake work that is ongoing except in the circumstances specified in categories 4, 6, 8, 9 and 10 below in sub clause 27.2.4.

27.2.4 **Fixed-term employment categories**

The use of "fixed-term employment" shall be limited to the employment of a staff member engaged on work activity that comes within the description of one or more of the following circumstances:

1. Specified task or project

"Specified task or project" shall mean a definable work activity which has a starting time and which is expected to be completed within an anticipated timeframe.

2. External funding

"External funding" shall mean identifiable funding external to the University not being funding that is part of an operating grant from government, or funding comprised of payment of fees made by or on behalf of students.

3. Research

"Research" means an activity by a person engaged on research-only functions for a contract period not exceeding five (5) years.

4. Replacement Staff Member

"Replacement staff member" means a staff member engaged for the purpose of replacing a staff member on leave, acting or seconded to duties away from their usual area of employment for a defined period not normally exceeding twelve (12) months.

5. Recent professional practice required

Where a curriculum in professional or vocational education requires that work be undertaken by a person who has recent practical or commercial experience, such a person may be engaged for a fixed period not exceeding two (2) years.

6. Pre-retirement contract

Where a full-time or a part-time staff member declares that it is their intention to retire, a fixed-term contract expiring on or around the relevant retirement date may be adopted as the appropriate type of employment for a period of up to five (5) years.

7. Student

Where a person is enrolled as a student at the University, a fixed-term contract may be adopted as the appropriate type of employment for work activity, not within the

description of another circumstance in this clause, provided that the work is generally related to a degree course that the student is undertaking and the work would normally be performed within the student's academic unit.

An offer of fixed-term employment:

- shall not be made on the condition that the person offered the employment enrol as a student;
- will be for a period that does not extend beyond, or that expires at the end of, the academic year in which the person ceases to be a student; and
- shall not be used as a means of using fixed-term appointments to undertake work of an ongoing nature.

8. Uncertainty over future requirements

Where there is uncertainty over future requirements related to a formal organisational change process occurring within an area of the University, or where a new course or activity is being developed and implemented, a fixed-term contract can be used for a defined period not normally exceeding twelve (12) months within that organisational area.

9. Fill a vacancy on a temporary basis

A staff member may be employed on a fixed-term basis for a defined period not normally exceeding twelve (12) months (with the possibility of an extension for a further period or periods by agreement between the parties) to replace a staff member who has resigned or retired, where the position is pending advertisement and appointment.

10. Post-retirement

A retired, former staff member of the University whose date of cessation with the University was less than twelve (12) months prior to the date of re-engagement, and whose employment with the University did not cease due to redundancy, or retirement following participation in an Early Retirement Scheme (ERS), may be re-engaged, in the same or similar role, for a defined period not normally exceeding twelve (12) months due to a requirement for a particular skill set or level of experience.

For the purposes of this clause, a person is defined as being retired if they are eligible to access superannuation entitlements as either a lump sum or pension.

27.3 Sessional appointment

27.3.1 A sessional appointment is an appointment of a staff member by the hour and the payment of such staff member on an hourly basis that includes a twenty-five (25) per cent loading to compensate for Award and Agreement based benefits for which a sessional staff member is not eligible.

27.3.2 The definitions for sessional academic classifications, and arrangements relating to marking and assessment performed by a sessional staff member are contained in Schedule 5.

27.3.3 The University is committed to the principle that sessional employment should be complementary to and not a substitute for, the creation of ongoing and fixed-term positions. It is acknowledged however, the important role that sessional academics have in relation to the University's mission.

- 27.3.4 The University will use its best endeavours to not increase, during the life of this Agreement, the proportion of academic staff employed on a sessional basis.
- 27.3.5 The University shall provide all sessional academic staff with adequate and appropriate access to essential resources including, but not limited to, shared workstations with a telephone, computer and internet access, and reasonable access to facilities and storage space, to support the requirements of the position including student consultation.
- 27.3.6 Sessional academic staff will be provided with reasonable access to appropriate professional development opportunities as agreed by the Head of School/Discipline, and will be paid an appropriate rate for attendance at approved activities.
- 27.3.7 Sessional academic staff, or representatives, may be invited to attend relevant school/department meetings as required by the Head of School/Discipline, and will be paid an appropriate rate for attendance at approved meetings.
- 27.3.8 A sessional academic staff member's projected workload will be made clear to them before they are appointed and confirmed in writing normally prior to the commencement of teaching.
- 27.3.9 Payment for work performed by sessionals will be paid in the next available pay period, within twenty-two (22) days of a formal claim application being submitted to the pay office.

27.4 Continuing (Contingent Research Funded) Appointment

A fixed-term staff member appointed to a position(s) engaged in research-only functions, funded by contingent research funding for a period of continuous service of three (3) years or more, and who is to be, or has been, appointed to a further consecutive contract of at least twelve (12) months duration, may be employed on a Continuing (Contingent Research Funded) appointment.

"Contingent Research Funding" is limited term funding provided from external sources, but not funding that is part of an operating grant from government or funding comprised of payments of fees made by or on behalf of students.

Such staff members may apply for ongoing employment on the basis of a Continuing (Contingent Research Funded) Contract in accordance with Schedule 7 and no further probation shall apply.

27.5 Additional Appointment

As a general principle, a staff member should be employed under a single contract of employment. However, it is recognised that full-time and part-time staff may also voluntarily engage in sessional employment with the University, which is normally work that is distinct and separate from the staff member's normal duties.

28. MODES OF EMPLOYMENT

28.1 Full-time employment

Full-time employment is employment other than part-time or sessional. A staff member may be employed full-time on either an ongoing or fixed-term basis.

28.2 Part-time employment

Part-time employment is employment for a proportion of full-time employment. A staff member may be employed part-time on either an ongoing or fixed-term basis. Staff members employed on a part-time basis will receive the salary and non-salary conditions of a full-time appointment calculated on a proportional basis.

29. FLEXIBILITY AGREEMENT

29.1 This clause constitutes the flexibility term referred to in section 202 of the *Fair Work Act 2009*.

29.2 The University and a staff member covered by this Agreement may agree to make an individual flexibility arrangement to vary the effect of the terms of the agreement if:

- (a) the arrangement is about a variation to clause 28 of this Agreement so that the staff member's mode of employment changes from part-time to full-time, or at the request of the staff member from full-time to part-time for a specified period;
- (b) the arrangement meets the genuine needs of the University and the staff member in relation to the matter mentioned in paragraph (a);
- (c) the arrangement is genuinely agreed to by the University and the staff member, without coercion or duress; and

 - (e) states the day on which the arrangement commences; and

- 29.5** The University must give the staff member a fully signed copy of the individual flexibility arrangement no later than 14 days after it has been fully signed and further at any later time upon request and reasonable notice of the staff member.
- 29.6** The staff member may terminate the individual flexibility arrangement by giving written notice to the University within three (3) working days after making the individual flexibility arrangement.
- 29.7** The University or the staff member may terminate the individual flexibility arrangement:
- (a) by giving 28 days written notice to the other party to the arrangement; or
 - (b) if the University and the staff member agree in writing – at any time.
- 29.8** A staff member may be represented by the Union or other Representative of their choosing in negotiating an individual flexibility arrangement. Union officials and/or other representatives have a standing invitation by the University to access the workplace for the purposes of representing staff who have requested representation in relation to the negotiation of an individual flexibility arrangement. Such access shall include time to confer with the staff member(s), where necessary, to ensure the efficient negotiation of the arrangement.

All determinations about appointment, probation and promotion will require demonstrated evidence of the relevant standard of performance currently in place at QUT at the date of this Agreement in respect of each of the areas of academic activity.

32. PERFORMANCE PLANNING AND REVIEW FOR ACADEMIC STAFF (PPR-AS)

The management of performance will be in accordance with the University's Policy on Performance Planning and Review for Academic Staff (PPR-AS). The principles of that Policy are:

- (a) PPR-AS applies to all academic staff employed on an ongoing or fixed-term basis (full-time or part-time) for more than twelve (12) months;
- (b) PPR-AS combines performance review, planning for staff development, incremental progression, probation, and renewal of fixed-term appointments into one integrated process;
- (c) The PPR-AS cycle will normally occur over a twelve (12) month period;
- (d) PPR-AS will be conducted by the supervisor who will normally be the Head. It is acknowledged that the Executive Dean may approve the delegation of the authority to supervise;

If disagreements are unable to be resolved, the staff member may refer them to the University's Grievance Resolution Procedures for Workplace Related Grievances and Bullying in the Manual of Policies and Procedures.

33. PROBATION

33.1 Ongoing appointments

A period of probation will apply to all staff members (Levels A to E) appointed to an ongoing position.

33.1.1 Confirmation of Appointment

The performance of a staff member during the probation period will be assessed as part of the University Policy for Performance Planning and Review for Academic Staff (PPR-AS).

33.1.2 Period of Probation

The period of probation shall be up to three (3) years. At the time of making an appointment, the Authorising Officer may waive or fix a shorter period of probation, having regard to prior service, qualifications and experience of the appointee. The period of probation will be suspended for the period of any extended leave.

The Head may recommend termination or confirmation of appointment before the end of the probation period and the staff member may apply for confirmation before the end of the probation period. Confirmation before the end of the probation period would be approved only in exceptional circumstances. In the case of either termination or confirmation of appointment before the end of the probation period, the procedures relating to the final review process under sub clause 33.1.3 will apply.

For those staff who do not report to a Head the probation assessment will be conducted by the supervisor stated in the appointment letter.

33.1.3 Probation Reviews

The staff member and the supervisor will carry out joint probation reviews as part of the annual PPR-AS process. A final review will be conducted by the supervisor before the

conclusion of the probationary period. The final review may be conducted at any time during the period of probation for the purposes of early confirmation or termination of appointment.

The outcomes of reviews will be documented in the PPR-AS activity statement. Either party may append comments additional to those contained in the activity statement. As part of the final review, the supervisor will consult with the staff member's colleagues in relation to performance during the probation period. For Levels A to C, these documents will be confidential to the supervisor and the staff member but will be made available for the purposes of the final probation review. For levels D to E, the activity statement and appended comments will be confidential to the supervisor and the staff member but will be made available to the Head of School/Discipline/Department, Executive Dean, Senior Deputy Vice-Chancellor and Vice-Chancellor for the purposes of the final probation review.

At the time of the final review, or for the purposes of early confirmation, the supervisor will recommend, where applicable:

- (a) For Levels A to C, through the Head (where the Head is not the supervisor) to the Authorising Officer, that the appointment be confirmed and the appointee offered ongoing employment or terminated; or
- (b) For Levels D to E, through the Head (where the Head is not the supervisor) and the Executive Dean to the Authorising Officer, that the appointment be confirmed and the appointee offered ongoing employment or terminated.

Where the supervisor's recommendation is to terminate the appointment, the staff member will be advised and can make a submission to the Senior Deputy Vice-Chancellor (for Levels A to C) or Vice-Chancellor (for Levels D to E), regarding the recommendation, for consideration prior to any decision being made.

If the recommendation is to confirm the appointment and the Authorising Officer approves the recommendation, then the staff member will be offered an ongoing appointment.

If the recommendation is to terminate the appointment and the Senior Deputy Vice-Chancellor (for Levels A to C), or the Vice-Chancellor, (for Levels D to E), approves the recommendation, then the staff member will be terminated.

Where employment is to be terminated, the University will provide four (4) months notice or, at its discretion, payment in lieu thereof to the staff member.

33.1.4 Review – Termination

A probationary staff member who has been served with a notice of termination from employment may seek a review of the decision. An application for review must be lodged with the Vice-Chancellor within ten (10) days of the service of notice.

The Vice-Chancellor will establish a Probation Review Committee in accordance with clause 30 which will conduct the review as expeditiously as possible.

The Committee shall have access to all relevant information, records and persons. After considering all such material, the Committee will recommend to the Senior Deputy Vice-Chancellor (for levels A to C) or to the Vice-Chancellor (for levels D to E):

- (a) that the appointment be terminated; or
- (b) confirmation and that the appointee be offered ongoing employment.

In the case of consideration of early termination of appointment, the Probation Review Committee may recommend to the Senior Deputy Vice-Chancellor (for levels A to C) or to the Vice-Chancellor (for levels D to E), that the staff member's appointment continue on a probationary basis for the remainder of the term of the probation period. In such cases, the staff member would be counselled and probation reviews would be conducted in accordance with this clause.

The staff member shall be advised in writing of the Committee's decision. The final decision on probation review will be made by the Senior Deputy Vice-Chancellor for levels A to C and by the Vice-Chancellor for levels D to E.

33.2 Fixed-term appointments

33.2.1 A period of probation will apply to staff employed on their first fixed-term appointment having regard to the period of fixed-term employment and the nature of the work.

Period of fixed-term appointment	Period of Probation
More than 6 months and up to 1 year	1 – 3 months
More than 1 year and up to 3 years	6 – 9 months
More than 3 years	12 months

A supervisor may seek approval from the Authorising Officer for the period of probation to be waived, in which case the appointment will be confirmed on commencement.

Any second or subsequent fixed-term appointment in the same or substantially similar position will not contain a probationary period unless there has been a break of more than three months between appointments.

33.2.2 Probation reviews

It is recognised that the PPR-AS cycle for staff on probation will take into account the period of probation but will otherwise be consistent with the PPR-AS process.

The staff member and supervisor will conduct discussions at intervals during the period of probation. These discussions will inform the probationary review which will be conducted before the conclusion of the probationary period.

The outcomes of reviews will be documented in the PPR-AS activity statement, where appropriate. Either party may append comments additional to those contained in the activity statement. These documents will be confidential to the supervisor and the staff member but will be made available for the purposes of the final probation review.

At the time of the probation review, the supervisor will recommend, through the Head (where the supervisor is not the Head), to the Authorising Officer that the appointment be:

- (a) confirmed and the appointee will continue in their fixed-term employment; or
- (b) terminated.

The final decision on probation will be made by the Authorising Officer.

Where employment is to be terminated, the University will provide three (3) weeks notice or, at its discretion, payment in lieu thereof to the staff member.

The staff member will be provided with a copy of the recommendation from the final probation review with the written notification of the outcome of the probation review.

- 33.2.3 Despite any other provision of this sub clause 33.2, the University may at any time during the probation period confirm or terminate the employment of a probationary staff member.

34. AVAILABILITY

In ensuring that the needs of the University and of students are effectively met, staff will spend most of their working time at the University. Heads can expect staff to be available during the University's normal operating hours for consultation and meetings concerning teaching, research, service and the organisation.

Whilst travel and off-campus work are normal for many academic staff the University and its campuses will remain the focal point of each staff member's professional life. Staff will regularly advise their Head of their general activities and be contactable during these times.

35. WORKLOADS AND ALLOCATION OF WORK

35.1 Academic Work

Academic work comprises academic leadership, teaching performance and leadership, research, scholarship, creative activity, professional practice, commercialisation activity, service/engagement, administration, and professional leadership. Academic staff (except sessionals) will be provided with adequate and appropriate opportunities to perform in relevant areas of this work.

The objective of this clause is to ensure that the workloads of all academic staff are fair, reasonable, distributed equitably, and take adequate account of a realistic amount of time required to perform work and the changing circumstances in which they work.

Whilst hours of work for academic staff are not prescribed, there are limits set out in this clause on the amount of work that academic staff can be required to undertake or be allocated.

35.2 Allocation of Work

Work will be allocated according to this clause and a University-wide Framework for Academic Workload.

Each school or faculty will have School/Faculty Workload Guidelines which will be consistent with the principles in this clause and the requirements set out in the University-wide Framework for Academic Workload. The University will consult with the Union prior to any proposed changes to the Framework.

School/Faculty Workload Guidelines will be developed and reviewed as appropriate through consultation between the Executive Dean/Head of School/Discipline or equivalent and staff. The consultation will include but not be confined to a meeting to which all academic staff of the school/faculty are invited. The Executive Dean, in consultation with the Human Resources Director will consider the Guideline's compliance with this clause and the Framework, before any Guideline is implemented. The Human Resources Director will consult with the Union on draft Workload Guidelines where there are significant changes proposed.

School/Faculty Workload Guidelines shall indicate the comparative contribution of each of the major activities to meeting the school/faculty requirements across the year and should be applied consistently over time unless there are reasonable grounds for review such as major curricula changes or the development of a new research centre.

Factors to be included, as relevant, in the School/Faculty Workload Guidelines are contained in the University-wide Framework for Academic Workload.

Following approval of this Agreement, all School/Faculty Workload Guidelines will be reviewed and revised in accordance with this clause by no later than 31 December 2015. Until completion of this process, the University-wide Framework will not be changed, unless by agreement.

35.3 Workloads of Individual staff

The duties (including all relevant areas of academic work) of each academic staff member over a relevant period (usually a year) will be determined by the Head following adequate and proper consultation with that staff member.

Discussion on career development and workload will form part of PPR-AS discussions.

A staff member may discuss and request variations to their workload allocation prior to the workload allocation of the school being finalised.

In allocating workload the Head will make reasonable efforts to ensure that:

- (a) allocations reflect a realistic amount of time to perform work at the relevant standard;
- (b) staff members do not have an unreasonable workload taking account of the total quantum of workload for each individual over the year and the definition of reasonable workload;
- (c) workloads and timetabling of teaching, including evening and weekend work, are distributed equitably amongst staff;
- (d) staff members have the opportunity to demonstrate performance which may lead to promotion;
- (e) staff members can participate in, develop and balance their expertise in all the relevant academic areas but need not undertake duties in all of these areas in any one year;
- (f) appropriate recognition is given to all expected activities, some of which may not easily be measurable or quantifiable;
- (g) the importance of a work and life balance, and leave planning is recognised;
- (h) the average allocated workload of a school does not increase from year to year taking account of the staffing levels and work practices of the school; and
- (i) professorial staff maintain direct teaching contact, particularly with undergraduate and/or postgraduate students.

35.4 Reasonable workload

The School/Faculty Workload Guidelines must provide that each staff member can complete their allocated workload working within an indicative average of five (5) days

per week across forty-six (46) working weeks (fifty-two (52) weeks less four (4) weeks recreation leave and ten (10) days of public holidays).

An unreasonable workload would be where a staff member is not able to complete their allocated work within an average of five (5) days per week across forty-six (46) working weeks in a year and/or is regularly required to work an average of more than 37.5 hours per week over an extended period.

35.5 Workload Review

In the first instance, staff should raise any concerns regarding workload or their proposed work allocation with their supervisor. Options and strategies to vary workload should be discussed and where agreed implemented and monitored.

Where discussions with the supervisor fail to resolve workload concerns, the staff member(s) or the Union may raise the matter with the Human Resources Director seeking a workload review. Following consultation with the relevant Executive Dean and Head, the Human Resources Director will establish a workload review where there are reasonable grounds for doing so.

The review will be conducted by a nominee of the Senior Deputy Vice-Chancellor and a nominee of the Union.

The reviewers will provide a report containing findings and, where appropriate, recommendations to resolve workload concerns to the Human Resources Director. A copy of the report will be provided to the relevant parties to the review. The Human Resources Director will provide advice to the Senior Deputy Vice-Chancellor who will then forward their written decision to all relevant parties and where appropriate, make recommendations to resolve the matter.

A dispute about issues in this clause, other than one relating to implementation, cannot be referred to Fair Work Commission.

36. SUMMER PROGRAM

Where the University conducts summer programs for accredited courses the following apply:

- (a) participation of academic staff in summer program teaching will be by mutual agreement between the staff member and the Head;
- (b) where the staff member has agreed to undertake summer program teaching, their teaching workload for the year or such other period as may be agreed (which would normally be not longer than eighteen (18) months), will be no greater than a teaching workload undertaken over the same period without any summer program teaching. This will be achieved in one of the following ways:
 - (i) the staff member and the Head will agree that the staff member has no teaching duties in the semester either preceding or following the summer semester; or
 - (ii) the staff member and the Head will agree that the staff member will work in three (3) semesters in the calendar year and agree to the allocation and distribution of their teaching workload to ensure it is no greater than if they taught in two (2) semesters only; or

- (iii) as otherwise agreed.
- (c) in reaching agreement under sub clauses 36(b)(i) and (ii) above, the Head will ensure that:
 - (i) staff who teach in the summer program will normally have at least one (1) week free of teaching and marking between the previous or following semester and the summer program;
 - (ii) staff teaching in a summer program will be able to take at least twenty (20) consecutive days as recreation leave during a preceding or following semester.

37. WORKING OVERSEAS

Working overseas will be voluntary unless it is part of the duties of the position for which the staff member applied or there are exceptional circumstances. Overseas work is considered as part of a staff member's normal workload and is considered when determining a staff member's workload allocation.

Where, for personal circumstances, it is difficult for a staff member to work overseas, the staff member will discuss such difficulties with their supervisor. The supervisor will not require the staff member to work overseas where it would be unreasonable given the staff member's circumstances. A staff member may decline travel to areas they feel may be unsafe without disadvantage. While working overseas a staff member's conditions of work will be reasonable and comparable to their usual employment arrangements in Australia.

38. INTELLECTUAL AND ACADEMIC FREEDOM

- 38.1** Guarantees of intellectual and academic freedom are essential to the proper functioning of a University culture. The rights of academic freedom that will be recognised and protected, include the rights to:
- (a) pursue critical and open inquiry;
 - (b) participate in public debates and express opinions about issues and ideas related to their field of expertise;
 - (c) participate in established decision making structures and processes within the University; and
 - (d) participate in professional and representative bodies, including trade unions.
- 38.2** In the first instance any alleged limitation of these rights will be dealt with under the Grievance Resolution Procedures for Workplace Related Grievances and Bullying in the Manual of Policies and Procedures.
- 38.3** Academic staff members have the right to express unpopular or controversial views, but this does not mean that they have a right to harass, vilify, defame or intimidate.

39. INDIGENOUS EMPLOYMENT

39.1 Definition

39.2 For the purposes of this clause an 'Indigenous Australian person' means a person of Aboriginal and/or Torres Strait Islander descent who identifies as an Aboriginal and/or Torres Strait Islander person and is accepted as such by their community.

39.3 Employment Strategy

39.3.1 Principles

39.3.2 The University is committed to the objective of increasing employment of Indigenous Australians at the University. The University aspires to increase the workforce participation of Indigenous Australians to 1.7% as articulated in QUT's *Blueprint*.

Consistent with this aspiration, the QUT Indigenous Strategy aims to maximise the employment of Indigenous Australians.

The Strategy is based on the Reconciliation Statement. Development and implementation of the Strategy is based on the following principles:

- (a) Respect for and consideration of the cultural, social and spiritual systems practiced by Indigenous Australians, recognition of Indigenous Australian knowledge as a significant contribution to all other bodies of knowledge, and acknowledge the expertise that Indigenous Australian staff bring to the University.
- (b) Acknowledgment that participation of Indigenous Australians in cultural, community or related activities enhances the effectiveness of Aboriginal and Torres Strait Islander people as staff members. Provision for participation in these activities is therefore of direct benefit to the University.
- (c) Recognition that a supportive working environment for Indigenous Australians would go to the redress of past social injustice, exploitation and employment inequity.
- (d) Consistency with principles of Aboriginal and Torres Strait Islander self-determination, social and restorative justice, and cultural affirmation.

39.3.3 Objectives

The Strategy includes measures to increase Indigenous employment and participation at all levels of work activity throughout the University and is guided by the employment target reflective of relevant demographic data, as revised and specified within the current strategy.

Measures will include:

- (a) Identification of positions for which being an Indigenous Australian is a genuine occupational qualification.
- (b) Designation of positions which offer genuine developmental opportunities to Indigenous staff.
- (c) Facilitating and encouraging the direct involvement of Indigenous staff in determining their own career strategies, goals and objectives.

- (d) Maximising career development for current and new Indigenous staff in order to enhance the experience of University operations.
- (e) Ensuring that management and staff are provided with opportunities to receive appropriate training and exposure to Indigenous knowledge and culture.
- (f) Progress towards the target for Indigenous employment can be raised through the ACC.

39.3.4 **Indigenous Employment Reference Group**

The Reference Group will include the Senior Deputy Vice-Chancellor, and a total of one (1) nominee from the NTEU and one (1) nominee from the Unions covered by the Queensland University of Technology Enterprise Agreement (Academic Staff) 2014-2017, a University senior manager (nominated by the Senior Deputy Vice-Chancellor), the Human Resources Director or nominee, the Oodgeroo Unit Director, the Indigenous Employment Coordinator, an Indigenous staff member (Oodgeroo Unit) elected by Oodgeroo staff, an Indigenous staff member (non-Oodgeroo Unit) elected by Indigenous staff outside the Oodgeroo Unit, an Indigenous staff member from the Indigenous Studies Research Network (ISRN) elected by the Indigenous staff from the ISRN and a senior staff member from a Division, nominated by the Reference Group.

The Reference Group will recommend actions and strategies to the Senior Deputy Vice-Chancellor and provide a six-monthly report to the Consultative Committees.

The Reference Group will be expected to liaise with the Aboriginal and Torres Strait Islander committee of the University.

39.3.5 **Oodgeroo Unit**

The long-term effectiveness of the Unit and QUT is dependent on Indigenous Australian people being the overwhelming majority of staff in the Unit. This can be supported by:

- (a) Vacant and new positions being advertised as either:
 - (i) 'identified' ones for which being an Indigenous Australian is a genuine occupational qualification; or
 - (ii) 'specified' for which preference will be given to Indigenous candidates.
- (b) Establishing training and development opportunities that will enable a full range of administrative and professional activities to be undertaken by Indigenous staff.

39.3.6 **Employment of Non-Indigenous Staff in Identified positions**

Where there is no suitable Indigenous person available to fill an ongoing identified position, the University may re-advertise the position as not identified and appoint a suitable non-Indigenous person to the position on a fixed-term basis.

A fixed-term appointment may be made for a period of up to twelve (12) months while measures are taken to recruit an Indigenous person and/or provide staff development to existing Indigenous staff.

39.3.7 **Language Allowance**

The Authorising Officer will approve the payment of a language allowance to eligible Indigenous staff. Where an Indigenous staff member uses an Indigenous language in performing their work they will be paid a language allowance as outlined in Schedule 1.

39.3.8 Cultural and Ceremonial Leave

An Indigenous Australian staff member (excluding sessional staff) may be granted up to three (3) days non-cumulative Aboriginal and/or Torres Strait Islander Cultural and Ceremonial Leave in a 12 month period to fulfil ceremonial or cultural obligations to comply with traditional customs and laws. Part-time staff are granted this Leave on a proportional basis.

Where this Leave is exhausted, leave additional to the entitlement may be granted under Personal Leave (clause 25).

40. CODE OF CONDUCT

In the event that any staff member believes that another staff member (including a supervisor) is in breach of the University's Code of Conduct, the staff member may refer their concerns to the relevant officer for handling that type of issue or may refer the matter to the University Registrar.

41. WORKPLACE BULLYING AND GRIEVANCE PROCEDURES

QUT is committed to ensuring a harmonious, fair and just working and learning environment, and to the elimination of any workplace bullying at the University.

The Grievance Resolution Procedures for Workplace Related Grievances and Bullying ensure that staff have access to processes that allow for grievances, disputes and complaints to be resolved. The University is committed to ensuring the Policy and guidelines are implemented.

The Grievance Resolution Procedures for Workplace Related Grievances and Bullying will not be amended without prior consultation with the Union.

42. TERMINATION OF EMPLOYMENT ON MEDICAL GROUNDS

42.1 The procedures outlined in this clause apply to all staff members other than sessional staff.

42.2 Process

42.2.1 The Vice-Chancellor may require, in writing and by providing two (2) months notice, any staff member whose capacity to perform their duties is in doubt to undergo a medical examination by a medical practitioner chosen and paid for by the University. At this time, the University will offer advice to the staff member on their options regarding retirement or temporary incapacity pursuant to the rules of the relevant superannuation fund.

42.2.2 Where the staff member elects to apply to the staff member's superannuation fund, prior to the expiry of the period of notice, for permanent disablement or temporary incapacity benefit pursuant to the rules of the superannuation fund, the requirement for a medical examination under sub clause 42.2.1 will lapse and no further action will, subject to sub clause 42.2.3, be taken by the Vice-Chancellor under this clause.

- 42.2.3 Where the superannuation fund decides that the staff member, following a period of receipt of temporary incapacity benefit, is capable of resuming work and the Vice-Chancellor elects to dispute this decision, the Vice-Chancellor may proceed in accordance with this clause without further recourse to the provisions of sub clause 42.2.2.
- 42.2.4 A copy of the medical report made by the medical practitioner under sub clause 42.2.1 will be made available to the Vice-Chancellor and to the staff member.
- 42.2.5 If the medical examination reveals that the staff member is unable to perform their duties and is unlikely to be able to resume them within a reasonable period, being not less than twelve (12) months, the Vice-Chancellor may, subject to sub clause 42.2.6, terminate the employment of the staff member in accordance with the relevant notice period outlined in sub clause 42.2.11. Prior to taking action to terminate the employment of a staff member, the Vice-Chancellor may offer the staff member the opportunity to submit a resignation and where submitted, it will be accepted and no action taken to proceed with termination.
- 42.2.6 A staff member (or person acting on their behalf) may request within fourteen (14) days of the medical report being made available to the staff member, that the findings of the medical examination referred to in sub clause 42.2.5 be confirmed by a panel of medical practitioners or by an independent specialist in accordance with sub clause 42.2.7 below.
- 42.2.7 If such a request is received, the Vice-Chancellor will not terminate the employment of the staff member unless and until the findings of the report are confirmed by;
- (a) a panel consisting of three medical practitioners as follows :
 - (i) One (1) medical practitioner appointed by the University;
 - (ii) One (1) medical practitioner appointed by the staff member or a person acting on their behalf; and
 - (iii) One (1) medical practitioner appointed by the President of the Queensland Branch of the Australian Medical Association;
 - Or
 - (b) An independent specialist, agreed to between the University and the staff member or where the staff member requests a Representative as defined in sub clause 6.14.
- 42.2.8 This panel or an independent specialist will not include the practitioner who made the initial report. Every effort will be made to appoint the panel no later than seven (7) days from the staff member's request being received by the Vice-Chancellor.
- 42.2.9 In making an assessment as to whether or not a staff member is unable to perform their duties and is unlikely to be able to resume them within a reasonable period, the medical practitioner, panel of medical practitioners, or independent specialist, as far as possible, will apply the same definitions of permanent disablement as contained in the trust deeds of the staff member's superannuation scheme, if any, in determining qualification of a disablement pension or other similar benefit.

- 42.2.10 The Vice-Chancellor may construe a failure by a staff member to undergo a medical examination in accordance with these procedures within three (3) months of a written notification to do so as establishing that such a medical examination would have found that the staff member is unable to perform their duties and is unlikely to be able to resume them within twelve (12) months. In such circumstances, the Vice-Chancellor may act accordingly provided that such a refusal by a staff member in these circumstances will not constitute misconduct or serious misconduct nor lead to any greater penalty or loss of entitlements than would have resulted from an adverse medical report.
- 42.2.11 For the purpose of sub clause 42.2.5, the University will provide a period of notice of six (6) months. Payment in lieu of the notice prescribed above may be made by agreement between the staff member and the University.

43. NOTICE OF TERMINATION

43.1 Notice and Circumstances of termination by the University

43.1.1 The University may only terminate the employment of a staff member appointed to ongoing or fixed-term positions under the following circumstances and in accordance with the provisions of this Agreement:

- (a) voluntary and involuntary redundancy;
- (b) termination of employment as a result of Disciplinary Action for either unsatisfactory performance or Serious Misconduct;
- (c) termination on medical grounds; and
- (d) termination during or at the end of the period of probation.

The period of notice required in each case, if any, is specified in the relevant clauses of this Agreement.

43.1.2 The University is required to provide sessional staff members with two (2) weeks notice of termination of employment.

43.2 Notice of termination by a staff member

43.2.1 Staff members appointed to ongoing or fixed-term positions are required to give a minimum of four (4) months notice of termination unless a staff member's contract of employment specifies a different period of notice. At its discretion, the University may accept a shorter period of notice.

At the discretion of the Vice-Chancellor, payment may be made in lieu of any or all of the required period of notice.

If a staff member fails to give the required notice, the University may withhold and debit monies due to the staff member or take legal action to recover monies, to a maximum amount equal to the pay for the period of notice which should have been given.

43.2.2 Sessional staff members are required to give two (2) weeks notice of termination of employment unless the University agrees to accept a shorter period of notice.

43.3 Expiration of a fixed-term appointment

43.3.1 Notice of renewal or non-renewal

A staff member appointed to a fixed-term appointment as described in category 1, 2, 3, 5 or 8 in sub clause 27.2.4 will be provided with the following written notice of the intention to renew or not renew the appointment:

Period of continuous service	Period of notice
less than 1 year	2 weeks
1 year but less than 3 years	2 weeks
3 years but less than 5 years	3 weeks
5 years or over	4 weeks

In addition to this notice, a staff member over the age of 45 years at the time of the giving of notice and with not less than two (2) years continuous service shall be entitled to an additional week's notice.

Where, because of circumstances relating to the provision of specific funding to support employment, external to the University and beyond its control, the University is not reasonably able to give the notice required by this sub clause, it shall be sufficient if the University:

- (a) advises those circumstances to the staff member in writing at the latest time at which the notice would otherwise be required to be given; and
- (b) gives notice to the staff member at the earliest practicable date thereafter.

43.3.2 Severance pay

- (a) Severance pay will be payable for continuous service under the following conditions:
 - (i) a staff member on a fixed-term appointment in category 1, 2, 3, 5, or 8 in sub clause 27.2.5; and
 - (ii) the staff member's appointment is not renewed because:
 - a) in the case of a staff member on a second or subsequent fixed-term appointment, the same or substantially similar duties are no longer required by the University; or
 - b) the duties continue to be required but another person has been appointed, or is to be appointed, to undertake the same or substantially similar duties; and
 - (iii) when the staff member seeks to continue the employment; and
 - (iv) when there is no further offer of employment for a reasonably related appointment.

- (b) Staff eligible for severance pay in accordance with sub clause 43.3.2(a)(i) to (iv) above will be entitled to the following amount of severance pay in respect of continuous service:

Period of continuous service	Severance pay
up to the completion of 2 years	4 weeks pay
over 2 years and up to the completion of 3 years	6 weeks pay
over 3 years and up to the completion of 4 years	7 weeks pay
over 4 years	8 weeks pay

- (c) The University may defer the payment of severance pay for a maximum of four (4) weeks after the expiry of a staff member's fixed-term appointment under the following circumstances:
- (i) where the University may offer further reasonably related employment within six (6) weeks of the expiry of the staff member's fixed-term appointment; and
 - (ii) where the staff member is advised of this in writing.
- (d) For the purposes of sub clause 43.3, breaks between appointments of up to two (2) times per year and of up to six (6) weeks in total will not constitute breaks in service. Periods of approved unpaid leave will not count for service, but will not constitute breaks in service for purposes of this sub clause.

44. MANAGING UNSATISFACTORY PERFORMANCE

44.1 Application

This clause applies to all ongoing and fixed-term staff members engaged for six (6) months or more except those employed on a probationary basis.

- 44.2** When a supervisor identifies the performance of a staff member as unsatisfactory every effort must be made to resolve performance issues through guidance, counselling, appropriate academic staff development, and/or appropriate work allocation. Disciplinary Action should be used as a last resort.

This process may occur as part of PPR-AS. The PPR-AS activity statement can be used to inform the process for managing unsatisfactory performance. A record of discussions will be kept and supplied to the staff member.

- 44.3** A staff member is entitled to be represented throughout this process by a Representative as defined in sub clause 6.14.

- 44.4** When following efforts to resolve unsatisfactory performance through appropriate measures outlined in sub clause 44.2, a supervisor believes the performance of a staff member continues to be unsatisfactory, the supervisor:

- (a) will discuss with the staff member the nature of the improvement required and the time within which improvement is expected. The review period will normally be up to six (6) months.

- (b) where appropriate, direct the staff member to undertake a course of professional development or other appropriate programs designed to assist in improving performance.
- (c) may consult with the staff member's colleagues about the performance matters and will advise the staff member prior to such consultation taking place.
- (d) will provide regular feedback to the staff member on their progress and, where appropriate, provide any further support to assist in improving performance.

A record of all discussions will be supplied to the staff member and all documentation kept in a confidential section on the staff member's central personnel file.

44.5 Where following the review period, the performance of the staff member is deemed by the supervisor as being no longer unsatisfactory, the staff member will be advised in writing and no further action will be taken under these procedures.

Where the supervisor believes that the performance of the staff member continues to be unsatisfactory, the supervisor will make a formal report to the Senior Deputy Vice-Chancellor, through the Executive Dean and the Human Resources Director. The report will state clearly the aspects of performance seen as unsatisfactory, the record of attempts to remedy the problem, and the recommended disciplinary action.

44.6 The supervisor will provide the staff member with a copy of the report at the time it is submitted. The staff member will be entitled to ten (10) working days from the receipt of the supervisor's report to submit a written response to the Senior Deputy Vice-Chancellor.

44.7 Upon receipt of the supervisor's report and any written response from the staff member, the Senior Deputy Vice-Chancellor will first be satisfied that:

- (a) the performance standards expected by the supervisor are reasonable;
- (b) appropriate steps have been taken to bring the unsatisfactory nature of the performance to the staff member's attention;
- (c) adequate opportunity to respond to the supervisor's report was given to the staff member;
- (d) the response was given due and proper consideration;
- (e) a reasonable opportunity has been provided to remedy the unsatisfactory performance.

44.8 The Senior Deputy Vice-Chancellor will then decide to:

- (a) take no further action; or
- (b) refer the matter back to the supervisor to ensure the matters in sub clause 44.7 have been complied with; or
- (c) recommend to the Vice-Chancellor that Disciplinary Action be taken in accordance with sub clause 6.5.

44.9 The Senior Deputy Vice-Chancellor will advise the staff member in writing of any decision made in accordance with sub clause 44.8.

- 44.10** Where disciplinary action has been recommended, the staff member may advise the Senior Deputy Vice-Chancellor within ten (10) working days if they wish to refer the matter to an Unsatisfactory Performance Review Committee.
- 44.11** Where the staff member elects to have the matter referred to an Unsatisfactory Performance Review Committee, the Vice-Chancellor will establish a Committee in accordance with clause 30.
- 44.12** Where the staff member does not elect to have the matter referred to a Review Committee, the Vice-Chancellor will consider the recommendation of the Senior Deputy Vice-Chancellor and may take disciplinary action consistent with sub clause 6.5. The Vice-Chancellor will advise the staff member in writing of any decision made and such decision will take effect no earlier than five (5) working days from the date of the Vice-Chancellor's written advice.
- 44.13** Where a matter is referred to the Unsatisfactory Performance Review Committee:
- (a) the Committee shall operate in accordance with clause 30 and will, unless otherwise agreed, report its findings to the Vice-Chancellor as expeditiously as possible and within thirty (30) days of the Review Committee being established.
 - (b) the staff member and the University are entitled to be represented in proceedings before the Review Committee by a relevant Representative as defined in sub clause 6.14.
- 44.14** The Review Committee will provide a written report to the staff member and the Vice-Chancellor containing its findings on:
- (a) whether the procedures outlined in sub clauses 44.4 to 44.8 have been followed; and/or
 - (b) the appropriateness of the disciplinary action recommended by the Senior Deputy Vice-Chancellor.
- 44.15** Following consideration of the report of the Review Committee (which will not be binding on the Vice-Chancellor) the Vice-Chancellor will either:
- (a) advise the staff member in writing that they are satisfied that there has been no unsatisfactory performance; or
 - (b) take Disciplinary Action and decide what that Disciplinary Action will be.
- 44.16** The Vice-Chancellor will advise the staff member in writing of any decision made and such decision will take effect no earlier than five (5) working days from the date of the Vice-Chancellor's written advice.
- 44.17** Nothing in this clause prevents or affects the procedures for the denial of an increment as referred to in clause 19.
- 44.18** Nothing in this clause prevents the Vice-Chancellor on the Vice-Chancellor's own motion referring a question of possible unsatisfactory performance to a supervisor for appropriate action.

44.19 The action of the Vice-Chancellor under this clause will be final, except that nothing in this clause will be construed as excluding the jurisdiction of any external court or tribunal which, but for this clause, would be competent to deal with this matter.

45. DISCIPLINARY ACTION FOR MISCONDUCT AND SERIOUS MISCONDUCT

45.1 Application

This clause applies to all ongoing and fixed-term staff members, engaged for six (6) months or more.

45.2 Procedures

45.2.1 Before the Vice-Chancellor takes Disciplinary Action against a staff member for conduct amounting to Misconduct or Serious Misconduct, the Vice-Chancellor must take the steps in this clause, except that, where a matter which may involve Misconduct or Serious Misconduct has been dealt with in good faith as if it were a case of unsatisfactory performance under clause 44 the procedures in this clause are not required.

45.2.2 If at any time the Vice-Chancellor becomes aware that there has been a failure to follow procedures required by the Vice-Chancellor or the MIC in relation to this clause, then:

- (a) the Vice-Chancellor must advise the staff member concerned of the failure, including the steps proposed to be taken pursuant to this clause, and invite the staff member's response to that proposal;
- (b) the Vice-Chancellor must take any steps available to remedy the failure or reduce its impact, taking into account any response received from the staff member;
- (c) the Vice-Chancellor must take into account the effect (if any) of the non-compliance when making a decision which affects the interests of the staff member.

45.2.3 A failure to follow procedure which is of a minor nature and does not materially prejudice the staff member or have a genuine capacity to lead to a wrong or unfair outcome does not of itself invalidate a disciplinary process as long as the Vice-Chancellor has complied with sub clause 45.2.2.

45.3 Allegations

If the Vice-Chancellor has information that a staff member may have engaged in Misconduct or Serious Misconduct, the Vice-Chancellor will:

- (a) notify the staff member in writing and in sufficient detail to enable the staff member to understand the precise nature of the allegations and to properly consider and respond to them; and
- (b) require the staff member to submit a written response to the allegations within ten (10) working days of the date of receipt of the written allegations.

45.4 Suspension

- 45.4.1 At the time of notifying the staff member in accordance with sub clause 45.3 if the Vice-Chancellor is of the view that the alleged conduct is such that it would be unreasonable to require the University to continue the staff member's attendance at work pending investigation of the allegations in accordance with the procedure outlined in this clause, the Vice-Chancellor may suspend the staff member with or without pay.
- 45.4.2 Where suspension without pay occurs:
- (a) the staff member can draw on any recreation leave or long service leave entitlements for the duration of the suspension without pay; and
 - (b) the Vice-Chancellor may at any time direct that salary be paid on the grounds of hardship.
- 45.4.3 During any period of suspension, the staff member may be excluded from the University, provided that the staff member will be permitted reasonable access to the University for the preparation of their case and to collect personal property.
- 45.4.4 If the staff member is for any period suspended without pay, then, following the process required by this clause:
- (a) if the Vice-Chancellor concludes that the staff member has not engaged in Misconduct or Serious Misconduct, the staff member will be reimbursed any lost salary;
 - (b) if the Vice-Chancellor is satisfied that the staff member has engaged in misconduct or serious misconduct but decides to impose no Disciplinary Action, the Vice-Chancellor may, in their discretion, determine whether or not the staff member should be reimbursed for lost salary.

45.5 Response

- 45.5.1 If, having considered the staff member's response, the Vice-Chancellor is of the view that there has been no Misconduct or Serious Misconduct, they will immediately advise the staff member in writing and will, at the request of the staff member, publish the advice in an appropriate manner.
- 45.5.2 If the staff member does not respond to the allegations, and the Vice-Chancellor has confirmed that the staff member received the allegations and was in a position to respond then the Vice-Chancellor may:
- (a) decide to take no further action;
 - (b) counsel or censure the staff member in relation to the conduct in question and take no further action; or
 - (c) refer the matter to the Misconduct Investigation Committee.
- 45.5.3 If the staff member wholly or partly admits one or more of the allegations in their response, and the Vice-Chancellor is of the view that the admitted allegations constitute Misconduct or Serious Misconduct, the Vice-Chancellor may:
- (a) proceed on the basis only of the admitted allegations and advise the staff member in writing of their decision in relation to Disciplinary Action; or

- (b) refer the allegations which have not been admitted to a Misconduct Investigation Committee.

45.5.4 If the staff member denies all of the allegations then the Vice-Chancellor may:

- (a) decide to take no further action;
- (b) counsel or censure the staff member in relation to the conduct in question and take no further action; or
- (c) refer the matter to the Misconduct Investigation Committee.

45.6 Misconduct Investigation Committee

45.6.1 How an MIC is constituted

The Vice-Chancellor must convene an MIC in accordance with clause 30 of this Agreement.

45.6.2 Role of MIC

The MIC's role is to:

- (a) Determine the facts relating to the alleged Misconduct / Serious Misconduct including any mitigating circumstances.
- (b) Provide the Vice-Chancellor and the staff member with a written report setting out findings on:
 - (i) which allegations are substantiated, and which allegations are not substantiated, including written reasons for each conclusion;
 - (ii) whether, from the material considered by the MIC, there are any mitigating circumstances which the Vice-Chancellor should take into account in making any decision in relation to Disciplinary Action; and
 - (iii) whether the staff member has engaged in Misconduct or Serious Misconduct.

45.6.3 MIC procedure

When allegations are referred to an MIC:

- (a) The MIC will be provided with all relevant material as expeditiously as possible including a copy of the written allegations, a copy of any written response to the allegations by the staff member and a copy of any written material considered by the Vice-Chancellor in making their decision pursuant to sub clause 45.3.
- (b) The MIC will provide a recommendation to the Vice-Chancellor as to whether suspension without pay should continue and whether the nature of the suspension be amended to one with pay from the date on which the suspension took effect. Any change to the suspension without pay in this regard will be at the discretion of the Vice-Chancellor.
- (c) The MIC will discharge its role in accordance with clause 30 of this Agreement, however in determining its procedures pursuant to sub clause 30.5:

- (i) must consider whether it would be oppressive or unreasonable for the staff member to be permitted to directly cross examine a complainant or other witness, having regard to the nature of the allegations, the identity and relative status of the complainant or other witness and the staff member and any other relevant consideration;
 - (ii) if it believes there are reasonable grounds for concern in this regard, may make directions in relation to cross examination which address the concern, which may include a direction that the staff member must appoint an independent representative to conduct all or part of the staff member's cross examination before the MIC.
- (d) The MIC will complete its role as expeditiously as possible, and will unless exceptional circumstances exist provide its report to the Vice-Chancellor within thirty (30) days of the MIC receiving from the Vice-Chancellor the information and material pursuant to sub clause 45.6.3(a).

45.6.4 Representation

The staff member and the University are entitled to be represented in proceedings before the MIC by a Representative as defined in this Agreement.

45.6.5 How the MIC reaches its decision

The MIC may make and record decisions as follows:

- (a) A finding of a majority of an MIC is a finding of the MIC.
- (b) If the MIC makes a finding in relation to any fact by majority, the MIC member who holds a minority view shall include in the report to the Vice-Chancellor the reasons for their minority view.

45.7 Vice-Chancellor's Decision

45.7.1 Upon receiving the MIC's report, the Vice-Chancellor:

- (a) must have regard to the MIC report, however is not bound by the report or its findings;
- (b) must take into account any mitigating factors set out in the report;
- (c) may, if they are satisfied that Misconduct or Serious Misconduct has occurred, determine to impose Disciplinary Action;
- (d) shall advise the staff member in writing of their decision, including the nature of any Disciplinary Action with reasons for the decision and any Disciplinary Action; and
- (e) may, at the request of the staff member, publish the decision in an appropriate manner.

45.7.2 Before imposing Disciplinary Action, the Vice-Chancellor will advise the staff member of their preliminary decision in relation to Disciplinary Action, unless exceptional circumstances render this unnecessary. Where advised, the staff member will be allowed an opportunity to respond, limited to the issue of whether the Disciplinary Action should be imposed, and if so, what the nature of the Disciplinary Action should be.

45.7.3 The Vice-Chancellor's decision and actions taken pursuant to that decision will be final, except that nothing in this clause will be construed as excluding the jurisdiction of any court or tribunal.

45.8 Confidentiality

Proceedings pursuant to this clause are confidential and must not be disclosed outside of the University by the Vice-Chancellor, the staff member or any other University staff member. This does not prevent disclosure of information to any party's advisors or anyone who reasonably needs to be advised of that information, as long as the recipients are also advised to maintain similar confidentiality.

46. VOLUNTARY AND INVOLUNTARY REDUNDANCY

46.1 Application

This clause applies to staff members employed on an ongoing or fixed-term basis (excluding pre-retirement fixed-term appointment and contingent research funded fixed-term appointment).

Positions may become surplus to the University's requirements for reasons of an economic, technological, structural or similar nature, including:

- (a) a decrease in student demand or enrolments in any academic course or subject or combination or mix of courses or subjects conducted on one or more campuses;
- (b) a decision to cease offering or to vary the academic context of any course or subject or combination or mix of courses or subjects conducted on one or more campuses;
- (c) financial exigency within an organisational unit or cost centre; or
- (d) changes in technology or work methods.

Where positions are identified as surplus to requirements, the following steps will apply.

46.2 Step 1 – Voluntary Redundancy

46.2.1 Where the University identifies a need to achieve staff reductions, the Vice-Chancellor (or nominee) will call for applications from staff members interested in voluntary redundancy.

46.2.2 Applications will be sought from staff members in areas identified in the implementation plan as outlined in clause 11.

46.2.3 The call for applications will be made in writing and will include the timelines relevant to the process for receipt, consideration and approval of applications, and final termination date for approved applicants (subject to sub clause 46.2.3(d) below). For voluntary redundancy the process will take up to six (6) weeks to complete unless a lesser period is agreed and will involve the following:

- (a) A staff member may make application.
- (b) The Vice-Chancellor has the discretion to accept or reject any staff member's application in accordance with the objective criteria in the implementation plan.

- (c) The staff member will be informed that either the application is accepted, or will be provided with reasons for not accepting an application.
- (d) Where an application is accepted by the Vice-Chancellor, consultation will occur as soon as possible between the staff member and the Authorising Officer to determine a termination date.

46.2.4 Staff whose applications for voluntary redundancy are approved will receive the benefits for voluntary redundancy as outlined in sub clause 46.5.1 payable in the next available pay run following the date of termination of employment.

46.3 Step 2 – Involuntary Redundancy

46.3.1 Where the voluntary measures do not achieve the appropriate staff reductions as set out in the implementation plan, the University may identify specific positions as surplus.

46.3.2 Following the identification of these positions the following process will occur:

- (a) The University will hold discussions with the staff member(s) directly affected and the Union. The discussions will take place as soon as practicable after the University has made a decision to declare the position(s) redundant and will cover the following:
 - (i) the reasons for the position(s) becoming surplus;
 - (ii) measures to avoid or minimise the redundancies including the feasibility of alternative employment arrangements such as part-time employment and job share; and
 - (iii) measures to mitigate any adverse effects on the staff member(s) concerned.

All relevant information and data will be provided to staff and the Union to assist in the consultations.

(b) Following these discussions and investigation of alternative employment arrangements, the Vice-Chancellor may formally notify the staff member(s) that the position they occupy is surplus to the University's requirements. A staff member who applied for voluntary redundancy and whose application was rejected cannot be made redundant under the arrangements for involuntary redundancy.

(c) Within ten (10) working days of notification, the staff member may elect one of the following options and notify the Vice-Chancellor in writing:

- (i) agree to the redundancy and consult with the Authorising Officer as soon as possible to determine a termination date; or
- (ii) seek redeployment in accordance with the relevant provisions of the University's Policy on Redeployment; or
- (iii) seek review of decision to terminate.

46.3.3 Staff who accept involuntary redundancy will receive the benefits for involuntary redundancy as outlined in sub clause 46.5.1 payable in the next available pay run following the date of termination of employment.

46.3.4 Where a staff member elects to seek redeployment, and where at the end of the redeployment search period, the staff member has not been redeployed, the staff member will receive the benefits for involuntary redundancy outlined in sub clause 46.5.1 less the salary paid during the redeployment search period.

46.4 Review of involuntary redundancy decision

46.4.1 An application for review of an involuntary redundancy decision may only be made on one or more of the following grounds:

- (a) failure of the University to follow its procedures for involuntary redundancy as outlined in sub clause 46.3.
- (b) failure to follow principles of natural justice in making the decision that the position is redundant.
- (c) the redundancy is not a genuine redundancy.
- (d) the redundancy was not made on a fair and objective basis.

46.4.2 Upon receipt of an application for review (which must be provided within ten (10) working days of receipt of the notification in accordance with sub clause 46.3.2(c)), the Vice-Chancellor will establish a Redundancy Review Committee in accordance with clause 30.

46.4.3 The Committee must consider the application and make a recommendation within twenty (20) working days of the date of application for review.

46.4.4 In its consideration of the staff member's application for review, the Committee will consider the grounds outlined in sub clause 46.4.1.

46.4.5 The staff member and the University may be assisted or represented before the Redundancy Review Committee by a Representative as defined in sub clause 6.14. The staff member and University or their Representatives will have the right to ask questions of interviewees, and to make submissions. They also shall have the right to present and challenge evidence.

46.4.6 The Committee will make a recommendation to the Vice-Chancellor whose decision will be final. The staff member will receive a copy of the Committee's recommendation.

46.4.7 If the outcome of the review process is that the staff member's position remains redundant, the staff member will receive the benefits for involuntary redundancy outlined in sub clause 46.5.1 less the salary paid during the review period.

46.5 Benefits for Voluntary and Involuntary Redundancy

46.5.1 Subject to sub clause 46.5.2, a staff member whose application for voluntary separation is accepted by the Vice-Chancellor, or who is made redundant involuntarily by the Vice-Chancellor, will be entitled to the following benefits:

Voluntary Redundancy	Involuntary Redundancy
Ongoing and fixed-term staff members:	Ongoing and fixed-term staff members:
<p>A lump sum of 30 weeks salary plus two (2) weeks salary for each completed year of continuous ongoing and fixed-term service up to five (5) years, plus three (3) weeks for each completed year of continuous ongoing and fixed-term service from six (6) to fifteen (15) years, plus two (2) weeks for each completed year of continuous ongoing and fixed-term service of sixteen (16) years or more, and an additional payment of eight (8) weeks salary.</p>	<p>A lump sum of 30 weeks salary plus two (2) weeks salary for each completed year of continuous ongoing and fixed-term service up to five (5) years, plus three (3) weeks for each completed year of continuous ongoing and fixed-term service from six (6) to fifteen (15) years, plus two (2) weeks for each completed year of continuous and fixed-term service of sixteen (16) years or more.</p>

46.5.2 A staff member employed on a fixed-term basis whose application for voluntary separation is accepted by the Vice-Chancellor, or who is made redundant involuntarily by the Vice-Chancellor, will be entitled to the benefits outlined in sub clause 46.5.1 or payment of a lump sum equal to the staff member's salary for the remainder of their fixed-term contract whichever is the greater amount.

46.5.3 The benefits in this clause are in lieu of access to a scheme of redeployment or any other redundancy benefit.

46.5.4 The benefits in this clause for involuntary redundancy will also be paid to a staff member where a staff member:

- (a) elects redeployment but is not able to be redeployed to a suitable vacant position;
or
- (b) participates in a trial redeployment period which is unsuccessful; or
- (c) rejects an offer of redeployment to a suitable position.

46.5.5 **Leave entitlements**

A staff member whose employment is terminated under this clause will receive payment for accrued or pro-rata long service leave and accrued recreation leave (and recreation leave loading) applicable at the date of termination.

All leave payments will be calculated on the staff member's salary (including any allowances) at the date of cessation of employment.

46.5.6 Calculation of redundancy benefits

The calculation will be based on the following:

- (a) 'Salary' means the ordinary rate of pay for the staff member concerned including any allowances applicable at the date of termination of employment.
- (b) 'Continuous service' means a period of service, which is unbroken, as defined in sub clause 6.3 for the purpose of calculating a redundancy.
- (c) For staff who have worked varied hours during their ongoing or fixed-term period of service, payment will be calculated as the actual percentage of full-time employment over the full period of that service, or on their existing percentage of full-time employment, whichever is greater.
- (d) For ongoing or fixed-term staff with prior QUT sessional service to be eligible to receive an additional payment of one (1) weeks' salary for the purpose of calculating a redundancy, the prior QUT sessional service must have been:
 - (i) in a same or substantially similar position (to the redundant ongoing or fixed-term position occupied by the staff member) for more than twelve (12) months; and
 - (ii) served immediately prior to the current ongoing or fixed-term appointment; and
 - (iii) be sessional service which is unbroken (i.e. continuous) as defined in sub clause 6.3.

47. REDEPLOYMENT

SCHEDULE THREE

POSITION CLASSIFICATION STANDARDS

INTRODUCTION

The Position Classification Standards for the classifications of academic staff employed at QUT are set out below. These standards are generic statements used to describe the broad categories of responsibilities attached to academic staff at different levels. The Position Classification Standards provide the basis to differentiate between the various levels of appointment and define the broad relationships between classifications. The Standards are not exhaustive of all tasks in academic employment.

The duties and responsibilities of academic staff will be consistent with the appropriate Position Classification Standard.

The Position Classification Standards have three parts:

(i) General Standard

This contains a generic statement of the function and rationale of positions at a given level. These are stated with regard to the form and level of contribution which an occupant of a position can be expected to make to academic leadership, research and scholarship, teaching performance and leadership, and professional leadership.

(ii) Specific Duties

Examples of specific duties are provided. The lists of duties are illustrative and not a set of mandatory requirements to be placed upon someone holding a position at a given level. There are a number of distinctive duties between the levels and these are especially pertinent in establishing where a position and its incumbent should be classified.

(iii) Skill Base

The skill base is a generic statement of the qualification and experience which can be expected of a person holding a position at a given level. The skill base is stated as a combination of formal qualifications and/or experience according to the relevant discipline area. Selection and other criteria need to be sensitive to the discipline area of candidates.

SCHEDULE SEVEN

1. ELIGIBILITY FOR CONTINUING (CONTINGENT RESEARCH FUNDED) APPOINTMENT

1.1 A fixed-term staff member appointed to a position/s engaged in research-only functions, funded by contingent research funding for a period of continuous service of three (3) years or more, and who is to be, or has been, appointed to a further consecutive contract of at least twelve (12) months duration, may apply for conversion to a Continuing (Contingent Research Funded) appointment. An application for conversion to a Continuing (Contingent Research Funded) appointment is subject to the following requirements:

- (a) the staff member must have achieved a Performance Planning and Review assessment rating of at least “satisfactory”; and
- (b) the relevant Authorising Officer must be satisfied that:
 - (i) there is likely to be sufficient revenue or funding streams to provide continuing support for the staff member’s employment; or
 - (ii) the staff member has generic and transferable skills in addition to their research speciality, and those skills are subject to ongoing demand within the University.

2. INTERNAL FUNDING

2.1 A fixed-term staff member eligible under the conditions of sub clause 1.1 may be appointed, at the discretion of the Executive Dean of a Faculty or Executive Director of an Institute, to a Continuing (Contingent Research Funded) appointment using internal funds, where:

- (a) the use of internal funding is for a limited period;
- (b) the area has a reasonable expectation that alternative contingent research funding or a continuing appointment will become available; and
- (c) the alternative would be the separation of the staff member from their position with the University.

3. CIRCUMSTANCES FOR REFUSAL OF CONVERSION

3.1 The University may refuse an application for conversion under sub clause 1.1 on the grounds that:

- (a) the criteria in sub clause 1.1 are not satisfied;
- (b) the staff member is a student, and their status as a student was the primary reason for their appointment;
- (c) the staff member is a genuine retiree (including a staff member who elected to change from continuing employment to a pre-retirement appointment); or

- (d) the conduct of the staff member has not been satisfactory.

4. CONDITIONS OF EMPLOYMENT

4.1 It is not the intention of this clause that the conditions of employment of a staff member employed on a Continuing (Contingent Research Funded) basis be worse than had they been employed on a fixed-term position subject to contingent research funding. That is, a staff member employed on, or converted to, Continuing (Contingent Research Funding) Appointment would normally be engaged for the term of the funding supporting the position. Accordingly, the University shall not terminate the employment of a staff member on a Continuing (Contingent Research Funded) Appointment unless:

- (a) the contingent research funding that supports the position ceases or is insufficient;
- (b) the inherent nature of the work required has changed significantly and the skills and experience of the staff member will not enable them to complete the requirements of the position; or
- (c) termination is under the probation, unsatisfactory performance or disciplinary provisions of this Agreement.

5. CESSATION OF FUNDING

5.1 The following provisions do not apply to staff employed on a Continuing (Contingent Research Funded) basis where funding for continuation of a Continuing (Contingent Research Funded) Appointment ceases:

- (a) the consultation provisions of clause 10 in respect to the contingent position that staff member occupies;
- (b) clause 46;
- (c) clause 47;

5.2 Where the funding that supports a staff member's Continuing (Contingent Research Funded) Appointment is due to end:

- (a) and during the notice period in sub clause 5.5 the contingent research funding for the position is renewed, the notice period ceases to apply and employment continues;
- (b) the University may, at its discretion, transfer the staff member to another equivalent position; or
- (c) where an application for renewal of the contingent research funding for the position is still pending, the period of employment may continue for any period of paid leave the staff member is entitled to and thereafter unpaid leave may be approved to retain the employment relationship until a decision on the contingent funding is made. By mutual agreement, payment of leave may be delayed for nine (9) weeks to facilitate continuation of service. When payment of leave is made, leave balances will be reduced accordingly. Payment of severance may be delayed for nine (9) weeks to facilitate continuation of service, but will be paid on termination if

it is agreed the staff member is not likely to be offered further employment by the University.

5.3 A staff member employed on a Continuing (Contingent Research Funded) basis may be employed on subsequent research grants. A break between contracts of up to three (3) months will not constitute a break in continuity of service, but will not be recognised as service.

5.4 At the end of the notice period (and any such approved leave in accordance with sub clause 5.2(c) and after consideration of the provisions in sub clause 5.2, the employment relationship will cease and the severance payment in sub clause 5.5 will be made to the staff member.

5.5 Notice Periods and Severance Payments for Continuing (Contingent Research Funded) appointments

5.5.1 If a staff member's employment is terminated under those circumstances listed in sub clauses 4.1(a) or 4.1(b) above, and a transfer opportunity as specified in sub clause 5.2(a) does not exist, the staff member will be provided with the following notice and severance payments:

(a) four (4) weeks notice of termination, or five (5) weeks if the staff member is over 45 years of age, which the University may payout in lieu of notice; and

(b) Severance payments in accordance with the following schedule:

Period of Continuous Service	Amount of Severance Payment
At least 1 year but less than 2 years	4 weeks
At least 2 years but less than 3 years	6 weeks
At least 3 years but less than 4 years	7 weeks
At least 4 years but less than 5 years	8 weeks
At least 5 years but less than 6 years	10 weeks
At least 6 years but less than 7 years	11 weeks
At least 7 years but less than 8 years	13 weeks
At least 8 years but less than 9 years	14 weeks
At least 9 years but less than 10 years	16 weeks
At least 10 years	12 weeks

(c) For the purposes of this clause, 'weeks pay' means the ordinary time rate of pay for the staff member concerned.
