**Subject:** AM2020/104 - AWU application to vary Horticulture Award - summary of submissions

Dear Award Modernisation Team,

In a Statement issued on 16 December 2021 in Matter AM2020/104, the Full Bench directed parties to file any comments regarding the accuracy of the attached summary of submissions by 4pm on 20 January 2022: *Horticulture Award [2021]* FWCFB 6070.

There is a typographical error at paragraph [58] of the summary of submissions, the reference in the first sentence to the 'AWU's proposed amendments' should be the 'AFPA's proposed amendments'.

The AWU does not have any other comments on the accuracy of the summary of submissions.

Regards,

**STEPHEN CRAWFORD**
