

DECISION

Fair Work Act 2009

s.160—Application to vary a modern award to remove ambiguity or uncertainty or correct error

Professional Golfers Association of Australia

(AM2021/2)

Amusement, events and recreation industry

COMMISSIONER BISSETT

MELBOURNE, 22 JUNE 2021

Application by Professional Golfers Association of Australia Limited to vary the Amusement, Events and Recreation Award 2020 and Registered and Licensed Clubs Award 2020.

[1] In a decision issued on 27 April 2021¹ (the Decision) I considered an application by the Professional Golfers Association of Australia Limited to vary the *Registered and Licensed Clubs Award 2020* and the *Amusement, Events and Recreation Award 2020* (the Awards) to remove ambiguity and uncertainty. Draft determinations in relation to each award were published concurrently with the Decision.²

[2] The Decision sets out the background to this issue, a summary of the parties' submissions, as well as the legislative framework for varying a modern award to remove ambiguity, uncertainty or to correct an error under s.160 of the *Fair Work Act 2009*. I do not propose to repeat that background here.

[3] In the Decision I confirmed that the Awards contain ambiguity or uncertainty, and I expressed the view that the Awards should be varied in the manner proposed in the draft determinations unless an objection was raised to this course of action.
