SENIOR DEPUTY PRESIDENT KAUFMAN

PERTH, 23 NOVEMBER 2012

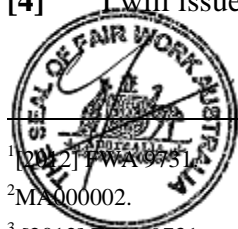

Review of modern awards - Clerks-Private Sector Award 2010.

[1] In the decision I issued on 15 November 2012¹, I indicated that I proposed to vary clauses 28.1(a) and (b) of the *Clerks-Private Sector Award 2010*² (the Award). I invited submissions in relation to this variation, in case the terms I proposed had unintended consequences.

[2] I received submissions from the Australian Services Union, the Australian Federation of Employers and Industries and the Australian Industry Group, none of which submitted that my proposed variation would result in unintended consequences.

[3] Given that no unintended consequences have been identified, I am satisfied that varying the Award in this manner is an appropriate measure to address the issues identified in my previous decision³.

[4] I will issue a determination concurrently with this decision to effect such a variation.
