Subject: AM2021/58 Restaurant & Catering Industrial - Short note

Dear Sir

We refer to this matter.

On 5 July 2021 the Commission published a Statement in relation to this matter.

The Statement attached updated information notes in relation to the COVID-19 situation update; Government responses to COVID-19 pandemic and Accommodation and food services.

The updated information notes – particularly the updated information note in relation to Accommodation and food services sector – describe a situation broadly consistent with that depicted in the Submissions filed by UWU in this matter.

We have no further comment.

Regards
