OFFICIAL

Dear Fair Work Commission

We refer to the Statement of Deputy President O'Neill dated 29 January 2024 in relation to the Modern Awards Review 2023-24 (Work and Care).

We note that the Deputy President at [11] directed interested parties to comment on their intention to participate in the consultation process by no later than 12:00pm AEDT on Monday, 12 February 2024.

While we appreciate that the above deadline has now passed, we humbly request the Deputy President's permission for Master Grocers Australia Limited to give notice of our intention to participate in the consultation process. Regretfully, I have only yesterday returned from a period of leave, and earlier this week our business operations were impacted by the severe storm and power outage experienced in Melbourne.

If the Deputy President is minded to permit Master Grocers Australia Limited to provide this notice, both myself and our Head of Legal Mr Martin Stirling are available to participate in the consultation process on either 3 or 4 April 2024.

I also provide notice of my appearance at the Mention programmed for 21 February 2024.

Kind regards,

Aimee Lyons
