Hi there,

I'm not sure of the process but I'd like to request that podcasting be added to the BRECA award. I work for a large media organisation as a podcast producer and am technically under an award that doesn't fit my role (miscellaneous level 2).

There is a group of podcast workers in Australia that have compiled a significant amount of information on classification, pay rates and role clarity. This can be found at www.podcastworkersaus.org/rate-card

Regards
