

FAIR WORK COMMISSION

MATTER NO. AM2014/305

Penalty Rates

Statement of Damien Cooper

I, Damien Cooper, Barman and Courtesy Bus Driver at Goodna Services Club, of 13 Brushtail Crescent, Doolandella, in the State of Queensland, say:

1. I am a member of United Voice.

Personal Details

2. I was born on 2 November 1967.
3. I live with my partner. I have one child who is 31 years of age.
4. My mother-in-law, who suffers from dementia, lives with my partner and I.
5. My partner is the full-time carer of my mother-in law and as a result, I am the sole breadwinner.

Work History

6. I have worked in hospitality since 2009.
7. I completed year 12 at school. I have a Certificate III in Hospitality, a Responsible Service of Alcohol certificate, a Responsible Service of Gambling certificate and a gaming license.
8. In September 2014, I started work as a casual courtesy bus driver and bar tender at the Goodna Services Club.
9. In April 2015, I resigned from that position at the Goodna Services Club, after the Goodna Services Club transferred my employment to the AWX Pty Ltd, a labour hire company. I continued to work at the Goodna Services Club, but I was covered

by the AWX Employees – AWX Pty Ltd Certified Agreement. There is a mechanism in the Agreement, which enabled them to remove penalty rates. The removal of penalty rates resulted with me being paid a flat rate of \$23.00 per hour for all hours including weekends and public holidays. I did not believe it was right that I should be working on a Sunday and only being paid my standard rate.

10. In April 2015, I went to work at the South's Juniors Leagues Club at Acacia Ridge, where I was covered by the Award.
11. I returned to the Goodna Services Club in July 2015. I returned to the club because I was offered five day's work each week and I was told that I would be paid penalty rates. This was because I would be employed by Hospitality X Pty Ltd, a subsidiary of AWX Pty Ltd that specialises in the hospitality sector.

Current Work

12. In July 2015, I started work at the Goodna Services Club as a casual bar tender and courtesy bus driver.
13. My actual employer is Hospitality X Pty Ltd, which is a labour hire firm, but my work is at the Goodna Services Club. My employment is covered by the Hospitality X Pty Ltd Agreement (the **Agreement**).
14. I am paid penalty rates under the Agreement, which are similar to the Award except that the public holiday rate is 150%.
15. I work on average 40 hours per week. My roster changes but on average, my hours are:
 - a. Fridays and Saturdays from 5.00pm to 2.30am;
 - b. Mondays and Thursdays 4.30pm to 10.30pm;
 - c. Sundays from 12.00pm to 9.30pm.
16. I work public holidays as required by my employer.
17. I work every weekend.

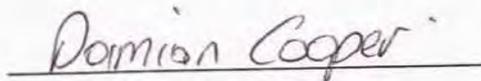

The Impact of Weekend and Public Holiday Work

18. I simply do not get to participate in the normal social activities that occur during weekends.
19. From working on weekends and late at night, I miss out on a lot of activities that are meaningful to me. For example, I missed the weddings of my old school friends that both occurred in 2012 and took place in Brisbane and Hervey Bay. I couldn't get away for the weekend because I had to work.
20. I recently missed out on the Anzac Day march, as I was rostered to work that day. I would have attended the dawn service before the start of my shift, but could not do so, as I was still recovering from my shift the night before. I also missed out on spending quality time with my family on Boxing Day for the same reason.
21. When I work on the weekend, I miss enjoying a lazy Sunday with my family and watching Saturday football games. I miss out on weekend sporting events. I would like watch the rugby league match on TV on a Friday night. I would also like to go to a local rugby league club match on a Saturday or Sunday. I have missed multiple local football games that I would have otherwise attended with my grandson.
22. Generally I do not have meals with my partner and mother-in-law as we live in different time zones, so to speak – I tend to work late nights then sleep in most of the day to make sure I get enough sleep. I often have breakfast shortly after lunch time. I might not wake up until 11.00am on a Saturday after working on Friday night until 2.00am, and then I have to start work at 5.00pm. I feel like I lose the whole day when this happens.
23. My daughter works Monday to Friday, which means that I am usually at work when she is off work. I wake up about 10.00am on Saturdays and Sundays and I am gone by 3.00pm. In that free time I am getting ready for work and doing things around the house.

24. I miss out on seeing my grandkids, and normal family time. If I had the time I would go to the movies, fishing or a Sunday drive with my grandchildren.

Dear Thomas

EMPLOYEES - AWX PTY LTD CERTIFIED AGREEMENT

We refer to your recent email. The following is our response in relation to your queries regarding the operation of the *Employees – AWX Pty Ltd Certified Agreement AG836963* ("**the Agreement**").

From 1 January 2010, the Agreement applies to all of AWX Pty Ltd's employees, except those employees who perform "contract work" (as defined in the *AWX Pty Ltd Employee Collective Agreement – Meat Industry 2006*) who are engaged in the meat industry.

The nominal expiry date of the Agreement is 12 October 2012. Section 57 of the *Fair Work Act 2009* ("**the Act**") provides that a modern award does not apply to an employee where an Enterprise Agreement applies. Section 54(2) of the Act states that an Enterprise Agreement continues to operate until the day on which a "termination order" comes into operation pursuant to section 224 or 227 of the Act. Section 224 deals with termination of an agreement before its nominal expiry date. Section 227 deals with termination after the nominal expiry date. Both sections require an application to be made to Fair Work Australia for approval of the termination of an agreement. Both of those sections state that a termination order does not come into effect until the date specified by Fair Work Australia.

Accordingly, an Enterprise Agreement continues to operate beyond its nominal expiry date until either an employer or an employee covered by the agreement makes an application to Fair Work Australia and Fair Work Australia makes a termination order. In the absence of a termination order from Fair Work Australia, an Enterprise Agreement continues indefinitely or alternatively, when it is replaced by a new agreement (pursuant to section 58 of the Act).

CONFIDENTIALITY

This message together with any attachment is intended for the use of the person to whom it is addressed and contains information that is privileged and confidential. If you are not the intended recipient, or the employee or agent responsible for its delivery to the intended recipient, you are hereby notified that any dissemination, distribution or copying of it is strictly prohibited. Please notify us if you have received it in error, and otherwise take all necessary steps to delete it from any transient or permanent storage device or medium

Thomas Reardon
AWX Pty Ltd

29 March 2012

Both the Agreement and section 206 of the Act require AWX to pay the minimum base rate of pay which are contained in the applicable modern award for the relevant occupation or industry. The base rates in most modern awards are subject to transitional provisions which allow a phasing in of the new modern award rates over a period of 5 years.

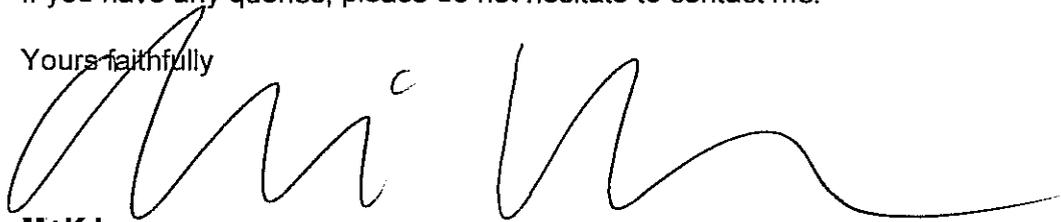

Clause 7(b) of the Agreement provides that all rates of pay are inclusive of all penalties, disabilities and allowances associated with the work unless otherwise specified in the Agreement. Clause 11(a) of the Agreement provides for a penalty rate to be paid in circumstances where an employee performs overtime (i.e. in excess of 38 hours per week) however, that penalty rate is not payable where an employee volunteers to perform the overtime (see clause 11(b)).

Accordingly, AWX is entitled to pay the flat rate of pay provided for in clause 7 of the Agreement without the payment of any penalties, disabilities and allowances associated with the work. This is because section 57 of the Act provides that a modern award does not apply to any employee when an Enterprise Agreement is in operation. Although employees can work additional voluntary hours under the terms of the Agreement, the amount of hours an employee may work in any particular week is still subject to AWX's workplace health and safety requirements, particularly fatigue management.

The Agreement sets minimum terms and conditions of employment. Accordingly, there is no prohibition on AWX paying rates or entitlements in excess of what is contained in the Agreement. This means that if a host employer pays higher rates and wishes for its labour hire workers to be paid at those rates, AWX is able to do so.

If you have any queries, please do not hesitate to contact me.

Yours faithfully
