Subject: Penalty Rates AM2014/305 - RCI Position on Expert Evidence Objections
Date: Wednesday, 16 September 2015 3:37:50 PM

Dear Award Modernisation Team,

RCI have had the benefit of reviewing the objections to the expert evidence as filed by Ai Group.

RCI support the objections filed by Ai Group and do not otherwise have objections to expert evidence.

I will be in Queensland on Friday and would therefore seek a video link be enabled from the Brisbane registry so I can attend by video link. Please let me know by reply whether this will be possible.

Rgds, Ross Clarke
