Dear Associate

We are directed to report back by COB tomorrow, 21 February 2018, with respect to the proposal described in paragraph [3] of His Honour's statement of 7 February 2018.

Can I request an extension to COB on Monday, 26 February 2018?

I recognise that I initially proposed a two week turn around, but this is a difficult issue for the industry with a great number of very interested parties, so reaching a consensus view on the proposal is proving challenging.

Kind regards,
