Dear Associate and Amod

Please find attached the statement of Jack Gibney, signed 24/02/2015 (*sic*). The statement was served and filed on 29 February 2016 without the annexures. The attached statement contains annexures. A copy was served on the Australian Hotels Association last week. We have had to excise some material that was not relevant. The rosters are not very legible and we will endeavour to obtain legible versions as soon as possible. The PDF copy served on the AHA should be more legible as we had to scan the PDF provided to us again due to issues noted above.

I attach a draft witness program. We will require video link facilities from Melbourne, Brisbane, Adelaide, Brisbane and Canberra. We would appreciate having some indication of the room and timing of appearances ( if this draft program is acceptable) so we can inform our witnesses when to attend. These time do reflect their availabilities although we have informed witnesses to arrive about 30 minutes earlier than scheduled in this draft program. The 2 witnesses scheduled after 2pm are only available in the afternoon. We will ensure that each witness is accompanied by an official of the relevant branch of United Voice.
