Dear Justice Ross,

Re: Group 2 Awards – revised exposure drafts – request for extension of time

We refer to the above matter and a decision¹ issued by the Fair Work Commission on 10 October 2016 in respect of the group 2 awards where the parties were directed to provide feedback in relation to the revised exposure drafts published by the Commission by 18 November 2016.

Business SA has an interest in several group 2 awards. We write to respectfully request that we be granted an extension of time to provide the required feedback by close of business on 8 December 2016. Our request is made as a result of staffing shortages.

In making this application, we note that the granting of this extension would not cause prejudice to other parties as reply submissions are not required nor hearings scheduled. We thank the Commission for its consideration of our request.

Should you require any further information or have questions, please contact Karen van Gorp, Senior Policy Adviser, on (08) 8300 0000 or karenv@business-sa.com.

Yours sincerely,

Karen van Gorp
