Dear Associate,

**RE: AM2014/200 Exposure Draft – Aquaculture Industry Award 2015**

1. The NSW Farmers (Industrial) Association was involved in the discussions between interested Parties to this Award. We support the summary of agreed matters lodged by Business SA on 21 July 2015.
2. We have previously made a submission regarding the exposure draft for this Award dated 17 February 2015. We continue to rely on this submission for technical and drafting matters that have not been resolved with the other parties.
3. We do not propose to make any substantive changes to the Award, however we may provide further comments to matters that will put forward by other parties at the appropriate time.
4. We are not opposed to the process put forward by Austuna and Tassal.

Yours faithfully,
