COMMISSIONER ROE

MELBOURNE, 5 JANUARY 2016

Four yearly Review of Modern Awards: Medical Practitioners Award 2010 - Report to the Full Bench.

The only outstanding item regarding the exposure draft is item 5 of the summary of submissions relating to ceremonial leave. This is a proposal to include a provision similar to that included in the Nurses Award and the Health Professionals and Support Services Award. The HSU as the proponent has not responded to the request to indicate how they propose the matter should be dealt with.

I propose that the HSU be required to provide written submission and any evidence by a specified date and other parties be given an opportunity to provide material in reply by a specified date and that the Full Bench then determine what hearing if any is required.
