Dear Associate,

In accordance with our commitments during the Conference earlier today, please find attached a draft table of casual overtime rates for the Gardening and Landscaping Services Award 2016 (Exposure Draft)

In relation to Item 7 in the latest Summary of Submissions, we can confirm we received some draft wording from ABI and NSWBC on 3 June 2016. We are not convinced this wording clarifies the operation of clause 8.4 (a).

However, we can now confirm we are prepared to withdraw this claim on the basis that the wording in the Exposure Draft reflects clause 21.3 (a) of the *Gardening and Landscaping Services Award 2010*.
