Dear Associate,

We refer to the conference in this matter before Deputy President Gostencnik on 9th of February 2017, and the submission filed by the Australian Federation of Air Pilots with the Commission on the 3rd of March 2017.

We confirm that the parties to this matter have recently engaged in constructive discussions regarding outstanding matters reflected in both the *Revised Summary of Submissions – Technical and Drafting* (as published by the Commission on 14 February 2017), the *Summary of Proposed Substantive Variations* (as published by the Commission on 6 January 2017) and the treatment of excessive annual leave as raised by the Ai Group in its submission of 8 December 2016.

We envisage making further progress on these matters shortly, and intend advising the Commission of this progress in coming weeks.

We trust that this update assists the Commission. Please contact me if you have any queries, or wish to discuss this matter further.

Yours sincerely,

Simon Miller
