Dear Associate,

**AM2014/254 – Airline Operations Ground Staff Award 2010**

We refer to the draft report issued in the above matter and respond as follows:

1. We advise that we support the summary prepared by the AMWU and the ALAEA.
2. In relation to item 48, we submit that this can be dealt with as part of technical and drafting process. The TWU seeks the removal of the word “continuous” from clause 23.1(a) of the Award. It would appear that the insertion of this term into the award as part of the award modernisation process has had unintended consequences and should be dealt with as a technical and drafting issue.

Yours sincerely,
