**Subject:** Extension of Time Request

Dear Associate,

I refer to the Commission's ongoing consideration of the Braodcasting, Recorded Entertainment and Cinema Award 2010.

14 September 2018 is the date set by President Ross for MEAA (and others) to make submissions with respect to calculation of the 8% penalty averaging loading for cinema workers.

In order to do this, MEAA requested information concerning pay practices at major and independent cinemas. To date, we have received a partial response to this request.

I understand that MEAA will imminently receive the advice sought, but we will be unable to provide our submission to the Commission within the original timeframe.

I therefore request on MEAA's behalf a one week extension, pending receipt of the above payment information.

Thank you,

Matthew Chesher
