Dear Justice Ross

I refer to your Statement and Directions issued on 26 August 2016 with regard to Group 4 Awards.

The Entertainment Industry Employers Association (trading as Live Performance Australia (LPA)), requests an extension of time to file submissions on the technical and drafting issues related to the exposure draft.

The request is made due to the illness of LPA personnel responsible for our submission. An extension until 5.00pm Wednesday 11 January 2017 to file submissions is requested.

Yours sincerely
