Submissions of the Australian Entertainment Industry Association (trading as Live Performance Australia)

1. This Submission is filed in response to Justice Ross' Statement 1 October 2018¹ which requests parties to confirm whether there are any additions to the substantive claims in the Group 4 Awards.
2. Live Performance Australia (LPA) has an interest in the *Live Performance Award 2010* (the Award).
3. In its submissions dated 21 August 2018, LPA advised that it will be pursuing a variation to the substantive issue S7 in the Summary of Proposed Variations published on 20 November 2017.
4. LPA also advised that it was hoped that agreement between the parties would negate the need to establish a separate Full Bench to determine this issue. Unfortunately, agreement has not been reached at this time.
5. Therefore, LPA advises that it will be pressing this substantive claim.
