Dear Senior Deputy President

I refer to the directions issued on 26 February 2016, regarding the proposed Group 4C Award Preliminary Conference.

Please be advised that the Master Plumbers and Mechanical Services Association of Australia (**Master Plumbers**) intends to participate in the Preliminary Conference.

Master Plumbers will attend the Fair Work Commission (**Commission**) in Melbourne.

Given the comments of the Commission in the Summary of Proposed Variations for the *Plumbing and Fire Sprinklers Award 2010*, Master Plumbers no longer intends to pursue the "excess travel costs for attendance at block release" claim.

I apologise for the late notification.

Phil
