Subject: AM2014/285 - SCHDS Award

Dear Associate,

We refer to the directions issued by President Ross on 7 February 2017. We note that the parties were directed to file submissions outlining their claims and draft determinations this afternoon. The parties were given this extension to allow the conciliation process to conclude. A single matter that may form part of the settlement package remains outstanding. This appears to require some consultation with the parties' membership.

United Voice seeks an extension to file the submission until 10 April 2017. This will allow the parties to conclude their discussions. We understand that this application would have the support of the ASU, the Aged Care Employers, ABI, HSU, and Jobs Australia. We have been unable to contact AFEI at this time.

Please consider this request.

Regards,

Michael Robson
