Subject: Penalty Rates - AM 2015 /305 Dry Cleaning and laundry Industry Award 2010

Dear AMOD,

Re: 4 Yearly Review of Modern Awards – Penalty Rates

I write on behalf of the Australian Federation of Employers and Industries (AFEI) and the Drycleaning Institute of Australia (DIA) on whose behalf AFEI had proposed to vary the Penalty Rates in the *Dry Cleaning and Laundry Industry Award 2010* as part of the 2014 Four Yearly Review of Modern Awards.

In the review the United Voice (UV), who is the main union representing employees in the dry cleaning industry, also proposed to vary penalty rates (albeit in the context of the award specific stage of the review).

We write now to advise that AFEI, DIA and UV have reached agreement to each withdraw their claims relating to penalty rates in the *Dry Cleaning and Laundry Industry Award 2010* during this four yearly review. Accordingly, AFEI wishes to advise that it formerly withdraws the claim on behalf of DIA. We understand UV will be writing to advise the same shortly.

Yours sincerely,

Tony Doyle
