Dear Deputy President

Directions: AM2015/2 – Family Friendly Work Arrangements

At the Directions conference held on Tuesday, 28 November 2017 I indicated that the expert witness, Mr K Hoang would attend the hearing in Sydney to be cross examined on the VACC survey. As a result of the time allocated to witnesses during the hearing days it would be preferable if Mr Hoang could give evidence by video link from Melbourne on 14 December, 2017.

I have spoken to Ms Sophie Ismail from the ACTU who does not oppose the change of venue.

Yours faithfully

WJ Chesterman
Industrial Relations Manager
