Subject: Request for extension of time for reply submissions in AM2016-13

Dear Associate to Vice-President Hatcher.

I refer to the proceedings in the Annualised Salary Common matter (AM2016/13) and Directors for reply submissions to be filed by today, 3 April.

I note many parties filed their submissions outside the original timetable for this matter and the large number of submissions filed. There have also been several requests for extensions of time for submissions in reply that have been granted.

The CPSU requests an extension of time to file any submissions in reply in this matter and does not believe other parties will be prejudiced by such a request being granted.

Regards,

K.B
