Subject: AM2016/15 - 4 yearly Review - Plain Language - Standard Clauses

Dear Justice Ross,

In the decision issued by the Full Bench on 11th December 2108 ([2018] FWCFB 7447), concerning redundancy clauses with award-specific issues, the Full Bench invited submissions on the following point:

“[24] Parties are asked to consider whether the reference to the ‘*Fringe Benefits Tax Regulations 1992*’ in clause 18.4(d) of the Plumbers Award, and the corresponding reference in clause 17.4(c) of the Building Award, should be replaced with a reference to the ‘*Fringe Benefits Tax Assessment Act 1986*’. Submissions on this point are due by **4.00 pm on 21 December 2018.”**

The CFMMEU (Construction and General Division) wishes to advise that it supports the replacement of the reference, in clause 17.4 (c) of the *Building and Construction General On-site Award 2010*, as outlined in the above paragraph.

Yours faithfully,

Stuart Maxwell
