

17 August 2017

Dear Mr Izzo and Ms Whish,

AM2014/196 & AM2014/197 Part-time and Casual Employment

I write in relation to your correspondence on behalf of the Australian Turf Club Limited (ATC) dated 2 August 2017 in which the ATC sought leave to advance a claim for more flexible part-time provisions to be inserted into the *Racing Clubs and Events Award 2010* and the *Racing Industry Ground Maintenance Award 2010* (Racing Awards).

Due to the late involvement of the ATC in the common issue proceedings concerning part time and casual employment, the claim for a varied part-time employment clause in the Racing Awards will not be dealt with as part of these proceedings. If the ATC wishes to pursue the matter, it will need to make a formal application to vary the award. Any such application will then be allocated as determined by the President of the Commission.
